TABLE OF CONTENTS

SIX ROBBLEES' INC.
Since 1913

Payment Terms

All invoices are due for payment by the 10th of the month, following the month in which the purchase was made. The billing cycle starts on the 26th of the month and continues through the 25th of the next month. If the account should become delinquent and remain unpaid on the 25th of the second month following purchase, a 2% service charge will be applied. Past due accounts may be placed on a cash basis at our option.

Pricing

Prices are consistent with current market conditions and are subject to change without notice.

Shipping

We are happy to ship any product ordered via UPS or common carrier LTL (pallet shipments). Just confirm with your sales representative how you would like your order delivered. In some cases, we may have free local delivery available (commercial addresses only). For a more complete description of our delivery options, please call your local warehouse.

Online Ordering

With an account, you'll be able to: check stock levels and pricing, place an order, check order status, and search account history and A/R balance.

Monthly Specials

We send out monthly flyers to your email with specials that you won't find anywhere else. Sign up for our monthly specials at www.sixrobblees.com.

Returns

No returns will be accepted without a return authorization number. A restocking fee may be levied on returned merchandise.

No part of this book may be reproduced or utilized in any form or by any means, electronic or mechanical, including recording, photocopying or by any information storage and retrieval system without permission in writing by Six Robblees' Inc. The sole intent of this catalog is to aid Six Robblees' Inc. customers in the resale of trailer and light truck parts.

Six Robblees' Inc., having been open for business since 1913, is excited to be celebrating its 103rd Anniversary. The following is a brief history of the first 102 years.

The company was originally started as J.A. Robblee & Co. in Tacoma, WA by three brothers; Jim a sheet metal worker, Bill a locksmith and Herb a bicycle repairman. Although repairing bicycle wheels brought in the majority of their business, by the end of the World War I their experience in tuning bike spokes had been transformed to racing car wheels for drivers of the local Indy car circuit. Over the next several years, other brothers joined the company and lent their expertise. By 1920, a second location was added in Seattle.

Founding brother, Jim passed away in 1930 and willed his interest to his six remaining brothers; Bill, Herb, Fred, Ted, Hank and Dick. The company was then renamed Six Robblees' Inc. The locksmithing operation was sold to some nephews in 1948 when Hank and Dick bought out their retiring brothers; Bill, Fred, Herb and Ted. Dick started Six Robblees' Inc. of Oregon in Portland in 1940 and worked there until selling to Hank's son, Dave in 1987. Hank opened a third location in Yakima in 1964.

Dave Robblee started in 1966 and through the National Wheel and Rim Association (NWRA) expanded the business into custom wheels, installer undercarriage auto parts and a complete line of tire shop supplies and equipment. He was active in signing Six Robblees' up as members of buying groups Heavy Duty America (HDA) and Ascot Tire Supply. In addition, he grew the company by adding 12 branches throughout Alaska, Montana, Oregon and Washington. Amongst some of the branch additions were the purchases of Union Rubber Company (Oakland, CA), Motor Wheel and Parts (Seattle, WA) Dee's Truck Parts (Wasilla, AK), Northwest Wheel (Great Falls, MT), Montana Wheel (Missoula, MT), WIM (Kennewick, WA) and True Wheel Inc. (Vancouver, WA).

The purchase of Motor Wheel and Parts of Seattle, WA and Bearing & Rim of Spokane, WA in 1992 thrust the company into the small trailer parts market and added a solid third market segment to the already thriving truck parts and tire shop supplies categories – all three centered around the wheel.

The new millennium opened with the retirement of Dave Robblee and the promotion of longtime sales & general manager, Tom Ogren, as president. He opened 4 branches, two of which were through the purchases of Tech Supply (Eugene, OR) and Gamo Truck Parts (Grants Pass, OR). Tom retired at the end of 2008 and handed the title of president to Andy Robblee (Dave's son). Andy has added 3 branches and expanded the company into Idaho and Wyoming through the purchase of Milo's Auto & Truck (Casper, WY) and Valley Brake & Truck Parts (Twin Falls, ID). In addition, he facilitated the purchase of two Anchorage, AK companies; Custom Truck Inc. and Mobile Trailer Supply.

Six Robblees' Inc. has grown from a small family business with 3 employees to a small family business with 22 branches in 8 states. Our product offering has expanded to include car, truck and trailer wheels as well as small trailer components, light truck accessories, tire shop supplies, equipment and heavy duty parts. We have seen tremendous growth and improvement in product offering and service; preserving the belief – "Customers deserve great service!" We hope you will join with us as we grow in the future.
Andy Robblee

POLAR 7LX
REPLACES NXA641 SERIES IN THE SAME CUTOUT

- **Capacity** – New state-of-the-art technology allows Norcold to increase storage space
  - The benefits of a 7-cubic-foot refrigerator in a 6-foot enclosure!
- **Styling** – Upgraded appearance with enhanced/modern styling
  - Taller door panels provide a more built-in look

PORTABLE
SOLAR KITS

These kits are perfect as single-use chargers or as an additional power source for any rooftop solar kit. Plug & Play connectivity ensures fast and easy set-up between the panels and the battery. Includes 12' UV cables and a durable carry case.

Compatible with pre-wired RVs
SOLAR ON THE SIDE™

Kits include:

- 10 amp digital solar controller
- Battery clamps
- SAE solar plug adapter
- Quick connectors
- Ring terminal connectors
- XLR-style solar plug

Look for RVs pre-wired with a **SOLAR ON THE SIDE**™ port.

CAMCO
Battery Box
Lightweight, heavy duty corrosion-resistant polypropylene boxes. Lift-off lid, durable woven hold-down strap, foot clamps and stainless steel screws. Choose small for group size 24 batteries or large for group sizes 27, 30 and 31. Both boxes meet USCG CFR 183.420 and ABYC E-010.7 specifications. Inside dimensions with lid (l x w x h) Small: 11.33" x 7.84" x 9.9"; Large: 13.87" x 7.87" x 10.9". Patent pending.

55362 Small Battery Box

TECTRAN
Round Connectors
In 4-way, 6-way, and 7 way

670-41	4-way Plug, Trailer End
670-42	4-way Socket, Car End
670-61	6-way Plug, No Cableguard
670-61SG	6-way Plug w/ Cableguardd
670-62	6-way Socket, Concealed Terminal
670-71SG	7-way Standard Plug w/ Cable Guard, Trailer End Only
670-72	7-way Split Pin, 2 Hole Mount Socket, Car End Only
670-722	7-way Rubber Boot for Socket

OPTRONICS
Flat Connectors

A20WB	4-way 20' Wishbone Harness

VALTERRA

15-30 Adapter Plug

- Space saving compact adapter plug
- Molded of durable PVC for long use

A10-1530ARD	Mighty Cord Round Adapter Plug, 15a Male To 30a Female, Bulk
A10-1530ARDVP	Mighty Cord Round Adapter Plug, 15a Male To 30a Female, Carded

VALTERRA

15-30 AMP Adapter

Space saving compact adapter plug for use in adapting 15 AMP power for use with 30 AMP trailers. Molded of durable PVC for long use.
* 15 AMP male x 30 AMP female adapter plug
* Compact design
* For temporary use

A10-1530A	15AM-30AF Adapter Plug, Bulk
A10-1530AVP	15AM-30AF Adapter Plug, Carded

VALTERRA

30-15 Adapter

Space saving compact adapter plug for use in adapting 30 AMP power to 15 AMP power. Molded of durable PVC for long use.

A10-3015A	30AM-15AF Adapter Plug, Bulk
A10-3015AVP	30AM-15AF Adapter Plug, Carded

VALTERRA

30-50-AMP Adapter

Space saving compact adapter plug for use in adapting 30 AMP power for use with 50 AMP trailers. Molded of durable PVC for long use.

A10-3050A	30AM-50AF Adapter Plug, Bulk

VALTERRA

50-30 AMP Adapter

Space saving compact adapter plug for use in adapting 50 AMP power for use with 30 am trailers. Molded of durable PVC for long use.

A10-5030A	50AM-30AF Adapter Plug, Bulk
A10-5030AVP	50AM-30AF Adapter Plug, Carded

VALTERRA

Generator Adapter 30-AMP

Compact adapter plug for connecting 30 AMP generator power to 30 AMP RV power. 30 AMP 3 prong twist lock male connector. Heavy duty molded PVC construction.

A10-G3030A	GEN30AM-RV30AF Adapter Plug, Bulk
A10-G3030AVP	GEN30AM-RV30AF Adapter Plug, Carded

VALTERRA

15-30 AMP Adapter Cord

This 12" dogbone style cord adapts 15 AMP power for use with 30 AMP RV
* Heavy duty cable designed for outdoor use
* 3 Wire, 10 Gauge

A10-1530BK	15AM-30AF, 12", Bulk

VALTERRA

15-30-AMP Dogbone Adapter
*

15 AMP male to 30 AMP female dogbone adapter cord
* 12" length
* Heavy duty cable designed for outdoor use
* 125V

A10-1530	15AM-30AF, 12", Red, Bulk
A10-1530HVP	15AM-30AF, 12", Red, Carded

VALTERRA

15-50 Adapter Cord

Dogbone style adapter cords constructed with heavy duty cable, designed for outdoor use.

A10-1550	15AM-50AF, 12", Bulk
A10-1550VP	15AM-50AF Adapter Cord, 12", Red, Carded

VALTERRA

30-15 AMP Adapter

This 12" dogbone style cord adapts 30 AMP power for use with 15 AMP RV, and has a finger grip male end for ease of use. Heavy duty cable, designed for outdoor use.
* 30 AMP male to 15 AMP female dogbone adapter cord
* 12"" length with finger grip male end
* 3 wire, 10 gauge

A10-3015	30AM-15AF w/Handle, 12", Red, Bulk
A10-3015HVP	30AM-15AF w/Handle, 12", Red, Carded

30-15 AMP Adapter

A10-3015BK	30AM-15AF, 12", Bulk

VALTERRA

30-50 AMP Adapter Cord

This 12" dogbone style cord adapts 30 AMP power for use with 50 AMP RV, and has a finger grip male end for ease of use. Heavy duty cable, designed for outdoor use.

A10-3050F	50AM-30AF w/Handle, 12", Red, Bulk
A10-3050FHVP	30AM-50AF w/Handle, 12", Red, Carded

VALTERRA

30-50 Adapter

This 12" dogbone style cord adapts 30 AMP power for use with 50 AMP RV. Heavy duty cable, designed for outdoor use.

A10-3050FBK	50AM-30AF, 12", Bulk

VALTERRA

50-30 AMP Adapter Cord

This 12" dogbone style cord adapts 50 AMP power for use with 30 AMP RV, and has a finger grip male end for ease of use. 50 AMP male to 30 AMP female dogbone adapter cord. 12" length. Heavy duty cable designed for outdoor use. 3 Wire, 10 Gauge.

A10-5030F	50AM-30AF w/Handle, 12", Red, Bulk
A10-5030FHVP	50AM-30AF w/Handle, 12", Red, Carded

VALTERRA

50-30 AMP Adapter

This 12" dogbone style cord adapts 50 AMP power for use with 30 AMP RV, and has a finger grip male end for ease of use.
* 50 AMP male to 30 AMP female dogbone adapter cord
* 12" length
* Heavy duty cable designed for outdoor use
* 3 Wire, 10 Gauge

A10-5030FBK	50AM-30AF, 12", Bulk

VALTERRA

30-20 AMP Adapter

Generator Y-Adapter cords, 3' in length, adapt 20 AMP and 30 AMP generators to 15/20 AMP multiple outlets (x2). Twist lock receptacles with 3 and 4 prong ends for secure connection. Designed with heavy duty construction for all types of uses.

A10-G20420Y	GEN20AM 4P 20AF Y-Adapter, Bulk

VALTERRA

30-20 AMP Adapter

Generator Y-Adapter cords, 3' in length, adapt 20 AMP and 30 AMP generators to 15/20 AMP multiple outlets (x2). Twist lock receptacles with 3 and 4 prong ends for secure connection. Designed with heavy duty construction for all types of uses.

A10-G3020Y	GEN30AM 3P 20AF Y-Adapter, Bulk

VALTERRA

30-20 AMP Adapter

Generator Y-Adapter cords, 3' in length, adapt 20 AMP and 30 AMP generators to 15/20 AMP multiple outlets (x2). Twist lock receptacles with 3 and 4 prong ends for secure connection. Designed with heavy duty construction for all types of uses.

A10-G30420Y	GEN30AM 4P 20AF Y-Adapter, Bulk

VALTERRA

30-AMP Generator Adapter Cord

Dogbone style adapters for connecting 30 AMP generator power to 30 AMP RV power. 30 AMP 3 prong and 4 prong twist lock connectors, 1' length. Constructed with heavy duty cable designed for outdoor use.

A10-G30330	GEN30AM 3P RV30AF Adapter Cord, 12", Bulk
A10-G30330VP	GEN30AM 3P RV30AF Adapter Cord, 12", Carded

SURGE GUARD*
RV POWER PROTECTION

PROTECT WHAT YOU VALUE MOST

POWER SURGES	OVERHEATING	OPEN GROUND/ NEUTRAL	LOW / HIGH VOLTAGE	MISWIRED PEDESTAL
Lightning Strikes Brown Outs	Current Overload Electrical Fire	Faulty Circuits Dangerous / Fatal Shock	Peak Usage Above Below Required Range	Damaged Improper Wiring

FULL PROTECTION HARDWIRE

Automatically shuts off the power when excessive voltage, low (<102V) and high (>132V), or an open ground or neutral is present. Auto reset on power restoration. Caution light indicates surge failure, miswired pedestal, reverse polarity, and elevated ground voltage. 128 second reset delay. Fits neatly inside RVs electrical compartment. Optional Remote Power Monitor LCD Display (sold separately).

35550	120/240V, 50A
35530	120V, 30A
40300	Remote Display

FULL PROTECTION PORTABLE

Automatically shuts off power for overheating, excessive voltage, low (<102V) and high (>132V), or open ground/neutral conditions are present. Auto reset on power restoration. LCD display shows voltage and amp draw on all legs. Shows faults for open neutral, open ground, reverse polarity, miswired pedestal, or elevated ground voltage. 128 second reset delay. Easy-T-Pull™ plug handles. Weather resistant.

34850	120/240V, 50A
34830	120V, 30A

HARDWIRE PLUS MONITORING

Protects RV from faulty park power. Easy to read LCD remote display provides visual indication of source voltage, load current, or diagnostics. Multi-mode surge suppression (fuse protected). Protects against excessive voltage, low (<102V) and high (>132V), miswired pedestal, open neutral, open ground, high/low frequency, and reverse polarity.

40240	120/240V, 50A

PORTABLE SURGE PROTECTORS

Surge protector designed to handle the high power consumption demands of RVers. Analyzes circuits to identify power supply status. Checks for open ground, open neutral, correct polarity, and reversed lines/ground. Features surge protection indicator and thermal sensor to indicate overheating plug/receptacle. Easy-T-Pull™ plug handles. Weather resistant with a rain-proof cover.

44280	120V, 30A
44290	120/240V, 50A

PORTABLE SURGE PROTECTORS

Identifies faulty park power plus offers surge protection. Analyzes circuits to verify pedestal power. Checks for open ground, open neutral, and correct polarity. Illuminated power status indicators. Easy-T-Pull™ plug handles.

44260	120V, 30A
44270	120/240V, 50A

PORTABLE SURGE PROTECTOR WITH GROUND FAULT

Great for pop-ups and travel trailers. Automatically shuts off the power when ground faults are present. Requires manual reset after a ground fault. Weather resistant. Easy-T-Pull™ plug handles.

44750	120V, 30A

LOCK HASP

Prevents unauthorized removal of your portable Surge Guard* device from your RV. Fits all standard 30A and 50A plugs. Not compatible with models 44280 and 44290. (Lock not included)

34590

BASIC AUTOMATIC TRANSFER SWITCHES

Mechanical interlocking contactors. Time delay at power up. Transfers to generator power automatically when energized after a 30-second delay. 50A, FLA contactor. **SPECIAL ORDER**

40100	120/240V, 50A
41300	120V, 30A

VOLTAGE REGULATOR

Provides a stable regulated and reliable source of power. Easy to read LED status and fault indication panel. Helps prevent low voltage damage to appliances. Fully automatic, continuously monitors line voltage conditions. True bypass mode--input is equal to output voltage. Increases voltage to an acceptable level. 10% voltage increase. Boosts as low as 95 Volts. Optional mounting bracket for inside RV.

10175	120/240V, 50A
10176	120V, 30A
29649	Optional Mounting Bracket

SURGE GUARD* AUTOMATIC TRANSFER SWITCH

Protects RV from the most damaging common electrical faults. Transfers to either shore power or generator automatically when energized. In the event both shore and generator powers are available, generator power will dominate after a 30 second delay. Includes 2,600 Joules of surge suppression (fuse protected), and protects against open neutral and reverse polarity. 50A, FLA contactor.

41260	120/240V, 50A

DIGITAL VOLTAGE MONITOR

Fully tests incoming power for: open ground, reverse polarity, and high/low voltage. Constantly monitors line RMS voltage and checks frequency. Small, rugged construction.

AECM20020

SURGE GUARD* RVC COMPATIBLE AUTOMATIC TRANSFER SWITCH

Same great features as the Surge Guard* ATS plus total electrical protection from faulty park power. Provides added protection from low (<102V) and high (>132V) voltage, miswired pedestal, open ground, and high and low frequency. Oversize contactors 65A, FLA contactor rating. 3,350 Joules of surge protection.

40350	RVC Transfer Switch
40299	Optional Remote
40258	Optional 50' Communication Cable

VALTERRA

No harmful or dangerous chemicals, long lasting protection saving you time and energy over traditional pest killing baits and sprays. Includes two different products for specific uses. Contains 1 large pouch that you can hang or place in a large storage area. Also contains 6 small pouches that you can place in small interior storage areas. In addition, a spray product is included to stop ants from invading through every ground contact Lightly mist the RV interior at floor level and interior/exterior storage areas prior to placing unit in storage.

V23620	Sniff 'n' Stop® RV Kit

Premium Bug Bust
THETFORD

PREMIUM Bug Bust. Special cleaning agents easily remove tough, sun-baked bugs. Safe on gel-coat, fiberglass, decals & painted aluminum. Multi-purpose works on RV's, trucks, cars, & boats.

32613	Bug Remover 32-Oz

Foaming Awning Cleaner
THETFORD

Special formulation safely removes tough leaf and mildew stains from fabric and vinyl awnings. Also effective on mold stains, sap, bird droppings, bugs and more. DfE Recognized for safer chemistry by the EPA!

32822	Ultra Foam Awning Cleaner

Awning Cleaner
THETFORD

Specially formulated to remove mold stains, mildew stains, dirt, tree sap and grime on and under awnings. Protects against damaging effects of the sun's rays, weathering and salt. 32518 is 6 per case, 32519 is 4 per case.

32518	Awning Cleaner 32-Oz
96017	Awning Cleaner 64-Oz
32519	Awning Cleaner 1-Gallon

Black Streak Remover
THETFORD

Quickly and easily removes black streaks, bugs and other tough soils. Safe on finishes, won't harm or fade decals. Easy-to-use, spray wipe formula!

32501	Black Streak & Bug Remover 32-Oz
96015	Black Streak & Bug Remover 64-Oz
32511	Black Streak & Bug Remover 1-Gallon
32602	Black Streak & Bug Remover 55-Gallon

Foaming Black Streak Remover
THETFORD

Powerful foaming action keeps the formulation on the surface longer, improving the way it removes black streaks, bugs and other tough soils. DfE Recognized for safer chemistry by the EPA!

32816	Black Streak Remover - 32 Oz

Premium RV Wheel & Tire Cleaner
THETFORD

Unique 3-in-1: Cleans wheels, cleans tires and leaves a like-new shine. Active UV Blocker: Keeps your tires looking better longer. Portable 24 oz. Trigger Spray Bottle: Cleans one Class A, with some to spare. Dissolves road grime.

96253	Wheel & Tire Cleaner

Premium Protect & Shine
THETFORD

Cleans - Polishes - Protects! Quickly restores color and shine to RV's, trucks, cars & boats. UV blocker so surfaces look better longer. Contains the finest Carnauba Wax. Spray and wipe. Petroleum free, rubber roof safe; no abrasive or greasy residues.

32755	Protect & Shine 32-Oz
32756	Protect & Shine 128-Oz

Premium Wash & Wax
THETFORD

Removes the toughest soils such as black streaks, dried on bugs, bird droppings, dirt, road film, more. Safe on finishes, won't harm or fade decals. DfE Recognized for safer chemistry by the EPA!

32516	Wash & Wax 32-Oz
96014	Wash & Wax 64-Oz
32517	Wash & Wax 1-Gallon
32604	Wash & Wax 55-Gallon

Wash & Wax Toss-In
THETFORD

2-in-1 professional -strength formula. Dissolves quickly, produces high-foam action and removes soils.

96008	Wash & Wax Toss-Ins - 6/pk

Premium Wax
THETFORD

Removes oxidation and restores color to dull surfaces. Leaves a long-lasting, mirror-bright shine! Contains the finest Carnauba Wax. UV blocker so surfaces look better, longer. Multi-purpose - works on RV's, trucks, cars, & boats.

32522	RV Wax 32-Oz
32523	RV Wax 1-Gallon

Rubber Roof Cleaner
THETFORD

Deep cleans, conditions and protects in one quick, easy step! Non-petroleum formula that's tested safe! UV blocker so roof looks better longer. Removes oxidation, tree sap, bird droppings, & dirt buildup from rubber, fiberglass & aluminum roofs.

32512	Conditioner 32-Oz
96016	Conditioner 64-Oz
32513	Conditioner 1-Gallon

RV Multipurpose Stain Remover
THETFORD

UltraFoam Multi-Purpose Stain Remover removes tough stains. Perfect for use on awnings, rubber moldings, canvas, vinyl and other RV and marine surfaces. DfE Recognized for safer chemistry by the EPA!

32838	32-Oz Multi-Purpose Stain Remover

Slide Out Lubricant
THETFORD

RV Slide Out Lubricant lubricates slide rails and gears. Stops squeaks and binding. Sprays upside down. Prevents rust. CFC Free.

32777	14-Oz

Slide Out Rubber Seal Conditioner
THETFORD

RV Slide Out Rubber Seal Conditioner prevents fading, cracking and deterioration. Long-lasting UV protection. Cleans, conditions and shines. CFC Free. No wiping required.

32778	14-Oz

Kwiklube Penetrating Fluid
LIPPERT COMPONENTS

Changes from a penetrating fluid into a tough, protective grease in just minutes. Pervents rust and reduces wear

379176	11-Oz. Aerosol

Slide Out Protectant
PROTECT ALL

Two products in one. Dry lubricant and rust corrosion inhibitor. Keeps RV slide-out mechanism operating like new, clean and rust-free, .

40003	16-Oz. Aerosol

Rubber Seal Protectant
PROTECT ALL

Extend the useful life of all your rubber seals. Anti-static, water repellent, protective film. Reduces excessive friction and wear.

40015	17-Oz Aerosol

Protect-All
PROTECT ALL

A polish, wax and treatment that cleans in minutes, with no rinsing, conserves water. Works on vinyl, rubber, paint, stainless steel, chrome, fiberglass, aluminum, glass, plastic and wood.

62006	6-Oz. Aerosol
62015	13.5-Oz. Aerosol
62016	16-Oz. Trigger Spray
62032	32-Oz. Trigger Spray
62010	Gallon

Rubber Roof Cleaner
PROTECT ALL

Remove the build-up of dirt, roof chalk and air-born pollutants with a sponge mop or soft bristle broom and a bucket of water.

67032	32-Oz. Cleaner
67128	Gallon

Black Streak Cleaner
PROTECT ALL

Extra heavy-duty and super concentrated, it may be diluted for 100's of uses indoors and outdoors. Biodegradable removes grease, grime, oil, stains, bugs, mildew, soap scum, and more.

54032	Black Streak Cleaner, 32-Oz.
54128	Black Streak Cleaner, 1-Gallon

Rubber Roof Treatment
PROTECT ALL

Tough, polymer coating provides a durable shield that gives your rubber roof a longer lasting, antistatic coating. 1 quart treats a clean 40' roof 2 or 3 times.

68032	32-Oz. Treatment
68128	1-Gallon Treatment

Fiberglass Restoration
PROTECT ALL

Restore color and lustre to dull fiberglass as well as polyurethane and enamel painted metal surfaces. This moderately abrasive one-step product cleans oxidation, wax build-up, stains and surface scratches, then polishes the surface to a brilliant shine greatly enhancing the appearance and value of the vehicle.

55032	Fiberglass Cleaner, 32 Oz.
55016	Fiberglass Cleaner, 16 Oz.

RV Wash
PROTECT ALL

Quickest, easiest way to wash the whole RV in just minutes. Protects while it cleans.

63032	32-Oz.
63010	1- Gallon
63016	16-Oz.

RV & Marine Dehumidifier
ZARPAX

Reusable dehumidifiers for RV & Marine use. Absorbed water does not leak and just needs to be microwaved to recharge.

LV-RM450	Single Pack
LV2-RM450	Double Pack

SIX ROBBLEES' INC. Since 1913

Sikaflex 505

Sikaflex-505 UV is a one-component silane terminated polymer (STP) sealant containing no solvents or isocyanates with excellent UV and weathering resistance. Sikaflex-505 UV offers 60 minute tack free time with excellent adhesion to a wide variety of substrates with little or no surface treatment, has excellent tooling characteristics and non yellowing.

017-415763   STP Sealant

Sikaflex 221

This fast curing product provides permanent elastic adhesion to a number of surfaces with excellent cut and tear resistance. Designed to resist the shock and abuse encountered over countless road miles, Sikaflex -221 will maintain its strength and adhesion over the long haul. Sikaflex -221 is weather resistant, sandable, paintable and NSF approved for potable water and incidental food contact.

**017-106449 Sikaflex 221 Colonial White
              300 ML Cart**
**017-90891 Sikaflex 221 White
             300 ML Cart**

             300 ML Cart**
**017-90893 Sikaflex 221 Black
             300 ML Cart**

Sikaflex 252

The original elastic bonding adhesive, Sikaflex-252 offers great adhesive strength coupled with elasticity. This combination bonds and seals at the same time, offers excellent gap filling capabilities and compensates for loose tolerances in the building process. Strong enough to sharply reduce or even completely eliminate traditional fastening systems such as welds, rivets, screw and bolts. Excellent Green Strength means reduced clamping time. Bonds to a wide variety of substrates. Some surface prep is generally recommended. Sandable, paintable and NSF approved for incidental food contact.

017-90915 Sikaflex 252 White 10.5 OZ Cart
017-90916 Sikaflex 252 Black 10.5 OZ Cart

Sikaflex 715

Sikaflex-715, is a cross-linking "chemical curing flexible, elastic, and durable roof sealant". This curing process imparts a highly elastic internal strength not found in traditional RV roof sealant products. Sikaflex-715 will bond to a variety of roofing component substrates. Unlike other roofing sealants, Sikaflex-715 has very low VOC's and won't crack under the most extreme conditions! Traditional roof sealants have high shrink characteristics and crack when exposed to the environment. Sikaflex-715 provides peace of mind!

**017-187690   Sikaflex 715 Roof Sealant
               300 ML Cart**

Sikasil GP

SikaSil silicone is an acetoxy-curing low modulus sealant used for general seam sealing in interior and exterior applications. It has excellent adhesion to metals, glass, plastics & fiberglass. SikaSil GP has excellent weather stability, is solvent free and is mold & mildew resistant. Elongation of 570%, 300 psi tensile strength, 25 minute tack time and a joint movement accommodation factor of +/-25%, Highly UV resistant.

**017-189150   Sikasil Gp Clear Silicone
               295 ML Cart**
**017-189151   Sikasil GP White Silicone

Sikasil N-Plus

Sikasil®-N Plus is a general purpose, neutral cure silicone sealant used for interior and exterior applications. Sikasil® N-Plus is highly UV resistant with excellent weather stability and is mold and mildew resistant. Offers excellent sealing joint flexibility for dynamic moving parts. Elongation of 430%, 300 psi tensile strength and 30 minute tack free time.

017-412406   Sikasil N Plus - Clear 295 M
017-412136   Sikasil N Plus - White 295 ML

Sika Multiseal Plus Tape

Sika MultiSeal Plus a new self-adhering, multi-purpose roofing repair tape that, combines an advanced copolymer mastic that exhibits aggressive adhesion with a flexible, non-release, tear proof, UV resistant TPO membrane to create a fast, easy to apply, permanent watertight seal. It can be stretched, cut and folded around intricately shaped roofing accessories to create a to stop water penetration.

**017-413828   Sika Multiseal Plus Tape
               4" X 50' Roll - White Membrane**

Cap Tape

Grey Mylar backed PVC Foam Tape w/ adhesive coating. Great for Truck Caps and other areas where a good seal against weather and dust is desried. Also great for quieting rattles and squeaks.

018-1400125B   1/4" X 1 1/2" X 30' - Black

Vinyl Foam Tape

Quality Cap Tape and Weather Stripping products for use around windows, doors or anyplace where you are looking to quiet or prevent moisture, dirt and dust from entering.

018-143817   1/4" x 3/8" x 50'
018-381210   3/8" x 1/2" x 50'

Weather Stripping

Quality Cap Tape and Weather Stripping products for use around windows, or doors. All products are individually packaged.

DICOR ROOFING SYSTEMS

Dicor Roofing Systems assures a watertight roof that is easy to maintain and saves energy through its heat reflecting characteristics. It is highly puncture and tear resistant, has superior tensile strength and withstands damaging UV rays. The membrane resists uneven weathering, fading or chalkiness. All Dicor Roofing Systems us the same three installation components: bonding adhesive, butyl tape and lap sealant. These elements can be purchased separately or as a package in the Dicor Products Roof Installation Component Kit.

CORNER SEAL KIT

Providing everything you need to get the job done, the Corner Seal Kit includes two rolls of Corner Seal Tape; six tubes of a joint filling sealant to serve as a conventional putty and cap sealant; a putty knife to remove excess sealant; and a spray bottle for the cleanup process.

Corner Seal Kit	
CS-114Kit	1.25' x 50'
CS-112Kit	1.50' x 50'
CS-200Kit	2.00' x 50'

SEAL–TITE CORNER SEAL

Seal-Tite™ Corner Seal is a game changing production tape. The sealing side consists of a thick, pressure-sensitive elastomeric seal that sticks and conforms to any smooth or irregular surface, including S-locks. The fleece side provides more superior caulk-cure adhesion than the typical smooth surface of RV exteriors. Corner Seal provides an instant and permanent seal underneath the caulk-and-molding system to provide a double barrier of leak protection.

Seal-Tite™ Corner Seal	
CS114B-1	1.25' x 50'
CS112B-1	1.50' x 50'
CS200B-1	2.00' x 50'

METAL ROOF COATING SYSTEM

A **Metal Roof Rust Inhibitive Primer** halts the rusting process and creates a barrier to prevent rust from bleeding through. First remove all surface rust, dirt and debris with a wire brush. Rinse, let dry, then apply the Primer which is specifically formulated to reduce further corrosion of metal roofs, while enhancing the adhesion of the Dicor Elastomeric RV Roof Coating.
HELPS CONTROL RUST • WATER CLEAN UP • EASY TO USE

B **Coating Ready Cover Tape** For use on metal RV roofing, Dicor Coating Ready Cover Tape is a fleece backed sealing tape for use on metal RV roofing seams prior to coating. Its aggressive grip provides immediate sealing on contact and cures completely in 24 hours. Must be followed with Dicor Elastomeric Coating.

C **Elastomeric Metal RV Roof Coating** For use on metal RV roofing **(NOT RECOMMENDED FOR EPDM RUBBER, TPO ROOFING OR FIBERGLASS)** Dicor Elastomeric RV Roof Coating protects and beautifies metal, aluminum, steel, and previously coated RV roofs. Dicor Elastomeric RV Roof Coating is formulated with 100% Acrylic Elastomeric resins to form a rubber-like coating that will expand and contract with the roof movement. Arctic White RV Elastomeric is brilliant white to provide a superior reflectivity, thereby lowering interior temperatures. Requires two coats for adequate protection at an application rate of 1 gallon per 200 sq. ft. per coat.

CLEAN & PROTECT

Dicor's roof care and maintenance products contain no harmful petroleum distillates, harsh abrasives or citric ingredients that can cause irreparable damage.

D E F **RUBBER ROOF CLEANER**
Formulated specifically for RV rubber roofing, this biodegradable deep cleaning formula lifts dirt and grime, yet is gentle on the surface. Simply spray on, brush with a bristle brush and rinse off. For best results follow with Dicor Roof Gard Roof Protectant.

D	RP-RC160C	16 oz	Cleaner Concenrate
E	RP-RC320S	32 oz	Trigger Spray
F	RP-RC-1GL	1 gal	Trigger Spray Refill

G H **ROOF–GARD RUBBER ROOF UV PROTECTANT**
Helps prevent EPDM rubber oxidation caused by harsh UV rays. The mild, nonabrasive formula keeps surfaces cleaner longer with no residue or oily build-up. Contains no silicone, waxes, glycerine or petroleum distillates. Simply spread evenly with a damp mop or cloth and let air dry. Will not harm rubber roofing.

NEW COLOR: TAN!
Dicor Products proudly introduces a new member to its color family - tan!

Rudy

RUBBER ROOF COATING SYSTEMS

Introducing our new color: Tan! Two part, commercial grade systems provides an excellent protective barrier for extending the life of EPDM. Part 2 now available in Standard or CoolCoat™. Saves over 25% in labor compared to similar systems. Quick drying time.

A Part 1: Cleaner/Activator cleans and prepares EPDM roofing for maximum adhesion of the Part 2 coating. Spray on and rinse off thoroughly. Coverage rate 125 sq. ft. per quart. Biodegradable.

SELECT YOUR COATING OPTION

B Part 2: Option 1, Acrylic Coating is an excellent protective barrier extending the life of your rubber roof membrane. Provides superior weatherability and UV resistance. Use with Dicor Rubber Roof Cleaner/Activator for proper adhesion. Requires two coats. Coverage rate of 1 gallon per 125 sq. ft. per coat.

C Part 2: Option 2, CoolCoat™ Insulating Coating has Ceramic MicroCells™ to reduce heat transfer, known as heat flux, to the coach interior up to 29%. CoolCoat reflects and dissipates solar heat with tiny yet indestructible vacuum spheres to reduce A/C demand. Use with Dicor Rubber Roof Cleaner/Activator for proper adhesion.

D Part 2: Option 3, Signature Extended Life Coating Never coat your RV roof again! Our Signature XL is 100% silicone coating with an industry-first 20 year warranty. Permanently flexible, unaffected by UV rays, temperature extremes and withstands ponding water, Signature XL dries to the touch in one hour and is walkable in two. For EPDM roofs only.

D E

FIBERGLASS ROOF COATING SYSTEM

D Part 1: Fiberglass Clean and Prep To ensure proper adhesion of Dicor Fiberglass RV Roof Coating to a fiberglass roof, it is essential to first prepare the surface using Dicor Fiberglass Clean & Prep. Dicor Fiberglass Clean & Prep is specifically formulated to remove all wax, oils, road grit and other contaminates on gel coat and to enhance the adhesion of the roof coating.
FAST ACTING FORMULA • BIODEGRADABLE • EASY TO USE

E Part 2: Fiberglass RV Roof Coating This 100% acrylic resin coating forms a flexible layer over any fiberglass roof to protect and beautify. Dicor Fiberglass RV Roof Coating gives roofs a super bright white finish, which resists mildew and algae and reflects the sun's heat to help keep the interior cooler. Always use Dicor Fiberglass Clean & Prep and allow to dry before applying this coating product. Two coats are required. One gallon of Dicor Fiberglass RV Roof Coating will cover 350 sq. ft. per coat.
PROTECTS ROOF • EASY TO APPLY • SOAP AND WATER CLEAN UP

LAP SEALANT FOR MOST ROOFING APPLICATIONS

Helps create a watertight seal along a roof's edges, air vents, vent pipes and screw heads. Dicor Products Lap Sealant is a versatile sealant formulated for EPDM roofing but also compatible with most other roofing material, including Dicor DiFlex II™ and BriTEK™ TPO roofing. It offers excellent adhesion to aluminum, mortar, wood, vinyl, galvanized metal and concrete. Continuously seals and remains flexible. Color matched, our lap sealants are UV stabilized to prevent discoloration and deterioration and will not stain or discolor any material to which it is applied.

REPAIR

EPDM RUBBER ROOF REPAIR MEMBRANE

Repairs punctures, tears and breaks in EPDM rubber, TPO plastic, metal and fiberglass roofing. This easy to use peel-and-stick material is made of self-adhering EPDM rubber and conforms to most shapes and surfaces, yet remains flexible and strong.

| 533RM-6 | 6´ x 25´ Roll |
| 533RM-12 | 12´ x 25´ Roll |

NEW TAN

DiSEAL SEALING TAPE

Now in Tan, DiSeal is a flexible weather resistant compound designed for sealing EPDM rubber, TPO, fiberglass, wood, plastic, steel or aluminum. Permanently seals most leaks immediately and fully cures within 24 hours.

PATCHiT™ ROOF REPAIR KIT

Easily repair punctures, tears, and breaks that can occur in RV and manufactured housing roofs. The kit includes a 9" x 10" peel-and-stick EPDM rubber patch and a tube of lap sealant. Quite versatile by design, it can be used to patch EPDM rubber, most TPO plastic, metal and fiberglass roofing.

| 402PR | Patchit |

NEW COLOR: TAN!
Dicor Products proudly introduces a new member to its color family - tan!

REPLACE

RUBBER ROOF INSTALLATION COMPONENT KIT

Includes two gallons of water based bonding adhesive, 150' of butyl tape used to seal around all the accessories and molding, and six tubes of lap sealant. Each kit comes with easy-to-follow instructions.

401CK	Installation Kit	White (use with BriteTEK™ roofing)
401CK-D	Installation Kit	Dove (Bright White)
401CK-T	Installation Kit	Tan
401CK-G	Installation Kit	Grey
401CK-V	Installation Kit	Ivory

BUTYL TAPE

Ideal for sealing uniquely shaped joints. Installs quickly, without gaps. Apply along unusual patterns. Because the sealant is on a continuous roll, installer can work fast and be virtually assured that there no skips or runs in the seal. Priced each.

Single Stage Regulator

Excela-Flow Single Stage Regulator 1/4"FNPT x 3/8"FNPT - 140KBTU/H

MEGR-230P	Single Stage Regulator - Pkg

Auto Change Regulator

The automatic changeover regulator is your application for two cylinder systems. The changeover feature allows users the benefit of uninterrupted fuel flow to the LP-gas system. When the service cylinder empties, the regulator will start drawing from the reserve cylinder.

MEGR-253P	Auto Change Regulator, Pkg.

High Capacity Auto Regulator

LP regulator 2-stage high capacity excele-flow automatic changeover packaged.

MEGR-253HP	Two-Stage High Capacity, Pkg.

Two Stage Regulator

Compact 2 stage regulator HN excess flow POL inlet x 3/8" FNPT outlet - 90 vent.

MEGR-295P	2 Stage Regulator, Pkg.
MEGR-295HP	2 Stage Regulator 9:00 Vent HC

Two Stage Regulator Bottom Vent.

These regulators feature all zinc body construction, high and low 1/8 NPT pressure tap ports, an integral drip lip vent and optional 90 degree vent location. The MEGR-291 series two stage regulator meets RVIA, UL and NFPA test requirements.

MEGR-291P	291 2-Stage Regulator, Pkg.
MEGR-291HP	Two Stage Regulator - High Capacity, Packaged
MEGR-291LP	Two Stage Regulator - Low Capacity, Packaged

Two Stage Regulator Side Vent

Combines all the features of the 290 two-stage regular. When mounted horizontally, it's vent is pointed down; under a protective cover. It is approved for use on single vertical cylinders or horizontal tanks. Meets requirements for use on recreational vehicles.

MEGR-298P	2 Stage Regulator, Pkg.

High Pressure Regulator

The MEGR-130 is a compact, high pressure, single stage, fixed regulator with 10 to 30 PSI - 1/4" FNPT inlet/outlet. The MEGR-130 can be used to regulate air as well as LP gas.

MEGR-130-30P	30 PSI - Pkg

PF266201 Exterior Shower Box with 59" Vinyl Hose, 1/4 Turn, Plastic, White (377-I)

You Won't Believe It's Not Metal

The biggest faucet innovation in decades is available from Phoenix Products. We pioneered the use of plastic in faucets. And now we're excited to introduce the next big leap in faucet technology.

Get The Lead Out - Hybrid Faucets From Phoenix
Metal Toughness - Plastic Economy

• New metal-plastic composite has the strength of brass and the corrosion resistance of economical plastic
• Drinking water never contacts metal
• Meets all State and Federal low lead and safe drinking water requirements
• WaterSense technology uses 20% less water than your old faucet without changing your water stream
• Single handle ceramic disc or two handle quarter turn washerless valves
• ADA compliant handles on all models

END CAPS
Multi-use, caps any Titan® opening for convenience & cleanliness.
17880, End Caps (2)

SEALS
Fits Titan®'s Universal Sewer Adapter and ExtendGrip® Fitting.
17881, Seals (2)

THETFORD TITAN®

The Toughest, Longest-Lasting Hose!

UNCRUSHABLE — Rugged TPE Hose Prevents Leaks

EASY ALIGN — Revolve® Universal Sewer Adapter with Handle

ERGONOMIC — ExtendGrip® Fitting

TITAN® 15-FT SEWER HOSE KIT
Includes 15' Sewer Hose with pre-attached fittings, Revolve® Universal Sewer Adapter and two Endcaps.

TITAN® 20-FT SEWER HOSE KIT
Includes two 10' Sewer Hoses with pre-attached fittings, Revolve® Universal Sewer Adapter and four Endcaps. Use one hose when close to dump port. Combine both hoses for full 20' length.

TITAN® 10-FT SEWER HOSE
Can be used alone or as an extension to the 15-ft hose, creating a 25-ft sewer connection.

#17853
15' Titan® Sewer Kit

MADE IN USA

VALTERRA®

Slunky Sewer Hose Support

- Deep pocket design provides enhanced stability
- Allows the hose to be curved around any obstacle while maintaining proper elevation for best drainage
- Compact, light and easily stored

S1000	Slunky Hose Support, 10', Boxed
S1000LO	Slunky Hose Support, 10', Low, Boxed
S1500	Slunky Hose Support, 15', Boxed
S2000	Slunky Hose Support, 20', Boxed
S2500	Slunky Hose Support, 25', Boxed

VALTERRA®

Rotating Wye

- Joins two outlet hoses to one sewer hose line
- Used when unit has two separate tank valves
- Rotating bayonet ends ensure that hose lays flat
- 4 durable hooks
F02-2030	Rotating Wye, 3", Bulk

VALTERRA®

Valve and Hose Adapter

Adapts drain hose to valve system with four bayonet attachments for a leak proof seal. Twist right onto your RV sewer hose

F02-3101	EZ Coupler Valve Adapter, Red, Carded

VALTERRA®

Coupler

- Connects two hoses together by simply threading on

F02-3102	EZ Coupler, Red, Carded

VALTERRA®

90° Elbow

Multi-tiered sewer fitting press fits into sewer outlets for fast and easy set up. Two piece design allows hose to remain attached for easy storage. 3/4" threaded connector for 2nd gray water tank. Drip Cap included

F02-3103	EZ Coupler Universal Sewer Adapter, Red, Carded

VALTERRA®

Bayonet Fitting

Create an extension hose with two EZ Coupler parts (F02-3101 and F02-3108) that connect with a quick snap.

F02-3108	EZ Coupler Bayonet Fitting, Red, Carded

VALTERRA®

EZ Coupler 90

- Universal threaded sewer fitting with a standard bayonet end
- 6 different types of sewer connections with a gas tight fit
- Quick twist attachment
- Threads are 3", 3-1/2", and 4"

F02-3112	EZ Coupler 90° Bayonet Sewer Fitting, Red, Carded

VALTERRA®

RV Hydroflush

- Breaks up plugged tanks, cleans tank, pipe, valve, drain hose
- Includes an internal backflow preventer and removable anti-siphon valve

F02-4100	RV Hydroflush 45°

VALTERRA®

Clear Hose Adapters

- Clear so you know when your tank is clean. Easy bayonet attachment. No need to remove or re-attach drain hose for use with current drain hose fittings. 45° design reduces stress on sewer hose

T1026-1	Clearview Adapter, 45°, with 3" Bay Lugs

VALTERRA®

Flanged Valve Fittings

Slip hub 3".

T1005	3" Hub

VALTERRA®

Caps and Accessories

T1020	Waste Valve Cap, 3", Black, Bulk
T1020-1	Waste Valve Cap, 3", 3/4" GHT with Cap, Black

VALTERRA

Hose Adapters

- Fits all standard black waste valve systems
- Use with 3" clamp
- Santoprene® seal for leak proof connections

| T1024 | Hose Adapter, 3" Straight, Black, Bulk |

VALTERRA

Rotating Rigid Pipe Adapter

- Rotates for easy connection
- Connects RV waste outlet to 3" male pipe thread

| T1027 | Rotating Rigid Sewer Pipe Bayonet Adapter, 3" Male Thread x Bayonet Hooks |

VALTERRA

Galvanized Steel Hose Clamps

- For 3" drain hose
- 1/2" band
| H03-0058 | Hose Clamp #48, Zinc Plated, 2-1/2" x 3-1/2", Boxed |

VALTERRA

Bladex

- Fits Bladex, Valterra, Bristol and Anonda valves
- Includes seals, nuts and bolts

| T1001VP | Bladex Waste Valve Body, 1-1/2", Carded |

VALTERRA

Bladex

Metal Valve Handle – Carded

| T1003-6MPV | Carded Metal Valve Handle |

VALTERRA

Bladex

- Fits Bladex, Valterra, Bristol and Anonda valves
- Includes seals, nuts and bolts

| T1003VP | Blade Waste Valve Body, 3", Carded |

VALTERRA

Twist On Valve

- No more mess with an old valve problem. Twists onto your current waste valve

| T58 | Twist On Waste Valve, Boxed |

VALTERRA

Bladex

These Bladex waste valves come with durable, die-cast aluminum handles; Fits Bladex, Bristol and Anonda valves; Includes seals, nuts and bolts.

| T1003VPM | Bladex Waste Valve Body, 3", Metal Handle, Carded |

VALTERRA

Horst Miracle Probes

Prevents false readings in the following ways:
- Horst Miracle Probes are considerably longer than standard probes and protected from liquid residue or sludge setting up a conductive path, or toilet paper from creating a false probe contact and related reading

Additional Features:
- Easy to install as they fit the 3/8" diameter holes of existing probes
- Compatibility with existing wiring and monitors

| T21301 | Horst Miracle Probes, For Black Water Tanks, Bulk |

THETFORD

Aqua Soft Tissue

Aqua-Soft Toilet Tissue (12 Cs.). Soft, white tissue flushes easily, dissolves rapidly. Helps prevent messy clogs. 4 rolls per package. 2-ply.

| 03300 | Aqua-Soft 2 Ply Toilet Tissue - Pack of 4 |

THETFORD

RV/Marine Tissue

For use in all RV, marine, permanent, recirculating, and portable toilets. This toilet tissue is specially-formulated, rapid-dissolving and flushes easily from the bowl. It is soft, gentle and biodegradable. Four rolls per pack. 350 sheets per roll. 24-per case.

| 20804 | Single Ply 4-Pack |

THETFORD

SMART TOTE^2

The BEST Portable 2-Wheel Waste Tank

Available in 4 BIG sizes: 12, 18, 27 and 35 gallons

Features:

Retainer strap holds sewer hose in place for easy storage.

Improved venting speeds emptying. AutoStop™ Level Gauge prevents messy overfilling.

2-Wheel Options:

Optional tow strap

Optional 90° elbow nozzle.

SMART TOTE^2 2-WHEEL MODELS

Premium 2-Wheel tanks offer larger capacities and a sewer hose always stays attached for faster, more sanitary use. Includes sewer hose cap for storage.

Excels in the areas RVers want most: odor control and waste digestion!

TISSUE DIGESTER

15844   19 oz. Dissolves tissue and prevents build-up and messy clogs. Non-staining formula is safe for all waste treatment systems.

TOILET SEAL LUBRICANT AND CONDITIONER

36663   24 oz. Non-petroleum, silicone-based formula penetrates and coats seal for smooth operation. Extends toilet seal life and helps prevent sticking. Safe on toilets and holding tank seals. Use before storage and throughout the year for preventive maintenance.

GREY WATER ODOR CONTROL

15842   24 oz. Eliminates grey water odors. Prevents grease build-up and won't damage seals. Non-staining, 100% biodegradable formula with pleasant floral scent.

DRAIN VALVE LUBRICANT

15843   24 oz. Prevents sticky valves, restores smooth operation, and coats plumbing lines for consistent tank out-flow. 100% biodegradable.

STORAGE DEODORANTS

32901   24 oz.
32900   3-8 oz.
Non-formaldehyde holding tank deodorant controls odors for up to 6 months in empty totes and RV holding tanks during storage. Lubricates seals. Compatible with anti-freeze solutions.

LEVEL GAUGE CLEANER

24545   19 oz. Restores operation to both grey and black water tanks. Repairs level sensors that fail due to tissue and sludge build-up. Dissolves waste, tissue and soap scum. Safe for all waste treatment systems.

TAKE BACK CONTROL
With StableLoad Suspension Stabilizer

THE BEST SUSPENSION UPGRADE FOR YOUR VEHICLE

STABLELOAD
Suspension Stabilizer

Upper StableLoad
Lower StableLoad

Dramatically Improves Safety, Handling, Side-to-Side Sway and Eliminates Sag

Quad contact design complements the vehicle's specially engineered suspension that automotive manufacturers have invested millions of dollars designing, while all other rear suspension products reduce contact to only two points. Works with any vehicle that has an upper or lower overload leaf spring.

VERSA LINER® STAINLESS WHEEL SIMULATORS
With over 1 million sets in service, the Versa Liner® from Dicor is the choice of more motorhome manufacturers than all other brands combined. No need to remove lug nuts or use jacks, a complete set can be installed in about five minutes. The Versa Liner® is made of tough 304L stainless steel with permanently attached simulated lug nuts, designed for years of durable service. Highly polished and maintenance-free, Versa Liners® will not rust, corrode, flake or peel. Rolled edges for tire and handling safety. The Versa Liner® attaches securely with a road proven design that stays on even in the roughest conditions. Limited 5-year warranty. Other Versa Liners® are available to fit wheels not listed. For details visit **www.dicorproducts.com.**

VHS SERIES INFLATION SYSTEM

The only 4-hose air system designed exclusively for Dicor's Versa Liner® Wheel Simulators. The Versa Liner® Hose System allows easy access to both inner and outer dual wheels for inflating tires or checking pressure. Flexible braided stainless steel protects a hydraulic hose that won't kink and form weak spots like rubber will. Hose sets mount easily to valve stems using stainless steel mounting brackets included. No drill-ing, pop-rivets or special tools required. Fits every time with no adjustment necessary.

VHS SERIES INFLATION SYSTEMS

DICOR NO.	DESCRIPTION
VHS-N3GC	16" to 16-1/2" GM Universal & 19-1/2" Chevy, 8 Lug. Also fits: 16", 19-1/2" & 22-1/2" Jam Nut Wheel Simulators

UNIVERSAL INFLATION SYSTEMS
Allows access to both inner and outer dual wheels for inflating tires or checking pressure. Fits most wheel simulators and wheel covers. Universal inflation systems include UHS.

UHS SERIES (NOT PICTURED)
THE UHS series contains two 125° Outer Dual Valve Extenders (AG-125) and two Inner Dual Valve Extenders (LS-734N) with stabilizers. Hydraulic hoses have stainless steel braid – heat treated to provide strength, flexibility and extra protection. Fits most wheel simulators and includes stabilizer brackets to keep hoses centered in hand holes for easy access. Set can be used for inner and outer dual wheels.

UNIVERSAL SERIES INFLATION SYSTEM

DICOR NO.	DESCRIPTION
UHS-4C	Universal Dual Wheel Inflation Set

VALVE EXTENDERS
Makes hard-to-reach inner dual valve stems easily accessible for proper tire inflation. A stabilizer bracket snaps into a hand hole to keep the extender centered for easy access.

LS SERIES
The LS series combines the strength and flexibility of a long-lasting hydraulic hose with the extra protection of heat treated stainless steel braid. The exclusive live stem inner core technology utilizes a floating valve stem that is activated only when air is added or removed from the tire. Hose fits every time. Installation requires no special adjustments and provides increased protection against tire deflation should the valve extender be damaged. For inner duals only. 2/pack.

LS SERIES INFLATION SYSTEMS

DICOR NO.	DESCRIPTION
LS-534N-12FC	16", '92 to Current Ford E-350, 8 Hand Hole. Also fits: 16", 16-1/2" & 19-1/2", Most 22-1/2"
LS-734N-2FC	19-1/2", '99 to Current Ford

SOLID VALVE EXTENDERS
Solid nickel plated brass valve extenders are angled to allow easier access to front tire valve stems on most vehicles. Can be used on plain wheels or with most stainless steel simulators. 2/card.

SOLID VALVE EXTENDERS

For landing gear with over 58" between them, to eliminate unwanted chassis movement. Bolt on, permanent mounted kit. Comes with stabilizing tubes and mounting gear.

| 191023 | JT Strongarm Jack Stabilizer 58" |

Strongarm Jack Stabilizer

Replaces standard snap-up chains in existing hitch systems for easier/safer towing experience. Works with every weight distribution hitch system excepr E-qual-izer

| 335852 | JT Strongarm Jack Stabilizer 58" |

THE PATRIOT
RAILS

The **Patriot 18K Slider™** is our rail mounted hitch now available with 12 inches of slide for maneuvering a short-bed truck.

18,000 LB. GTW - 4,500 LB. VTW

Fits standard mounting rails

Cam-operated, machined jaws

Polyurethane bushings for a smooth, rattle-free tow

Height Adjustment 17"-19"

ITEM	DESCRIPTION
RVK3270	Patriot 18K Slider 5th Wheel Hitch

The **Patriot 18K™** is our rail mounted hitch with a one piece base design for easier installation and a higher tow rating.

18,000 LB. GTW - 4,500 LB. VTW

Fits standard mounting rails

Cam-operated, machined jaws

Polyurethane bushings for a smooth, rattle-free tow

Height Adjustment 16"-19"

ITEM	DESCRIPTION
RVK3255	Patriot 18K 5th Wheel Hitch

The **Patriot 16K™** is our rail mounted hitch. Designed as a less expensive, lighter-weigh alternative to the Companion, with many of the same great features.

16,000 LB. GTW - 4,000 LB. VTW

Fits standard mounting rails

Cam-operated, machined jaws

Polyurethane bushings for a smooth, rattle-free tow

Height Adjustment 16"-19"

ITEM	DESCRIPTION
RVK3200	Patriot 16K 5th Wheel Hitch

B•W TRAILER HITCHES

COMPANION®

FOR FORD, GM & RAM PUCKS

PUCKS

The **Companion for Ford Pucks, Companion for Ram Pucks, and Companion for Chevrolet/GMC Pucks** have all the benefits that customers love about our Companion, but it's designed to work with the factory hitch platform. It uses the same cushioned coupler head as the original Companion, with cam operated jaws that eliminate binding. And it's removable, with no rails left in the bed when you're not towing.

| 20,000 LB. GTW - 5,000 LB. VTW - Ford Companion Hitches |
| 20,000 LB. GTW - 5,000 LB. VTW - GM Companion Hitches |
| 20,000 LB. GTW - 5,000 LB. VTW - Ram Companion Slider |
| 25,000 LB. GTW - 6,250 LB. VTW - Ram Companion |
| Fits the factory hitch platform |
| Cam-operated, machined jaws |
| Polyurethane bushings for a smooth, rattle-free tow |
| Height Adjustment 16 3/4"-18 3/4" - Ford Companion and Chevrolet/GMC Companion |
| Height Adjustment 17"-19" - Ram Companion |

COMPANION®

NO RAILS

B•W TRAILER HITCHES

The **Companion™** adored by RVers, was designed to address the issue of sloppiness in hitches. The result is a quiet, cushioned ride that is free of jerking. And it's removable. Free up your truck bed when you're not towing.

| 20,000 LB. GTW - 5,000 LB. VTW |
| Utilizes B&W's under bed mounting system |
| Cam-operated, machined jaws |
| Polyurethane bushings for a smooth, rattle-free tow |
| Height Adjustment 16 1/4"-18 1/4" |
| Flatbed version rated at 22,000 LB. GTW, no height adjustment |

ITEM	DESCRIPTION
RVK3500	Companion 5th Wheel Hitch
RVK3050	Companion Flatbed 5th Wheel Hitch

The **Companion Slider™** has all the benefits that customers love about our Companion, but adds the additional turning clearance you might need with a short-bed truck. It has an automatic latch in both directions and 12" of rearward travel. It uses the same cushioned coupler as the original Companion, with cam operated jaws that eliminate binding. And it's removable, with no rails left in the bed when you're not towing.

| 20,000 LB. GTW - 5,000 LB. VTW |
| Utilizes B&W's under bed mounting system |
| Cam-operated, machined jaws |
| Polyurethane bushings for a smooth, rattle-free tow |
| Height Adjustment 17"-19" |

SIX ROBBLEES' INC. Since 1913

TURNOVERBALL®

THE #1 SELLING GOOSENECK IN AMERICA.

Remove Ball

Turn Ball Over

Replace Ball in Socket

We designed the first Turnoverball gooseneck hitch for hardworking people like you. We understood that you need a level truck bed when you're not towing for all your other projects. It just seemed obvious that the greasy ball should be stored in the same place it's used, in the truckbed.

Maybe that's why we are the #1 gooseneck hitch sold in America ...We understand your truck.

Turnoverball® Gooseneck Hitch Fit List

REESE®

ELITE™

ELITE™ SERIES
FIFTH WHEEL HITCHES AND ACCESSORIES

WARRANTY
LIMITED LIFETIME

PROVIDES THE HIGHEST QUALITY STANDARD IN PERFORMANCE, RELIABILITY AND EASE OF USE

30871

- Custom under-bed rail kits with quarter turn quick-locking system
- Wider 9" (vs. 6") king pin funnel on stamped rounded head for easier connection
- Strong, high capacity forged single jaw design
- Increased king pin/jaw contact design
- Self-latching jaw & king pin indicator assures positive connection
- Wider footprint for increased stability
- Lockable extended length handle (lock sold separately)
- 4° side-to-side pivot
- Contemporary 21st century appearance
- Includes 90° wiring harness 50-97-410
- Pre-assembled - Installs easily

Installing a slider with a fifth wheel hitch, especially in a short bed or extended cab short bed pickup truck, allows additional turning clearance and reduces opportunities for truck/trailer damage.

24K GTW OEM PUCK SYSTEM 5TH WHEEL ROLLER PRODUCTS

The 5th wheel roller products below are for short-bed trucks with the OEM puck system.
The Ford option has a built-in roller unit and is designed to accept a CURT 5th wheel head.
The Ram and GM options are designed to accept a CURT 5th wheel roller.

Product Details

Ford roller system
- Adapts any CURT 5th wheel head unit to fit the Ford puck system
- Features integrated roller to provide added clearance for short-bed trucks

Chevrolet / GMC & Ram roller adapters
- Adapts any CURT 5th wheel roller to fit the OEM puck system
- Requires a 5th wheel roller unit to mount the 5th wheel hitch

All roller products
- Quarter-turn anchors allow for quick installation and removal
- Anchors can be adjusted to eliminate chucking between the roller and under-bed platform
- Meets proposed SAE J2638 testing standards
- Protected by a durable carbide powder coat finish
- Capacity limited to lowest-rated towing component

16020   16022   16023

Part#	Make	GTW	Description	Notes	Finish
16020	Ford	Up to 24,000 lbs.	OEM roller system (roller built in)	Hitch head sold separately	Carbide

Made in the USA

CELEBRATING 70 YEARS OF INNOVATION — THE ORIGINAL Equal-i-zer. SWAY CONTROL HITCH

THE ORIGINAL Equal-i-zer® SWAY CONTROL HITCH

[2 INCH] TRUTRACK™ WEIGHT DISTRIBUTION SYSTEMS

CURT

The CURT TruTrack™ weight distribution system is one of the most advanced weight distribution hitches in the industry. It combines precise weight distribution with integrated sway control to deliver the smoothest, safest ride possible. By integrating both features, the TruTrack™ eliminates the need to purchase a separate sway control unit.

Features & Benefits

- Actively controls trailer sway and levels both the vehicle and trailer
- Uses spring & cam system with hardened components, instead of metal friction
- Adjustable brackets provide fixed support unlike spring bar chain models
- Weight capacities available up to 15,000 lbs.
- 12" adjustable shank fits 2" receiver tube openings
- 2 1/2" replacement shank available
- Highly durable carbide powder coat finish

NEW

Ten-year
limited warranty

17499

True integrated sway control

The spring & cam system and fixed support brackets offer true four-point sway control and weight distribution.

Long-lasting construction

The hardened spring & cam components and cast head are less subject to wear than competitor models.

Quiet operation

Each TruTrack™ hitch is equipped with grease zerk fittings for continuous lubrication and a quiet ride.

Easy, versatile setup

The TruTrack™ has two neutral bar settings and adjustable castle nuts to accommodate different trailer sizes.
Pkg#	GTW	TW	Bars	Description
17499 NEW	5,000 - 8,000 lbs.	500 - 800 lbs.	35 9/16"	WD system only

FLASH™

Flash™ ball mounts are the toughest, best-looking aluminum ball mounts you can buy.

ALBM

The ALBM's integrated locking system saves you time and hassle with lightning quick adjustments and maximum theft protection.

DT-ALBM6600

Mfg #	Description
DT-ALBM6400	(4"/5" drop/rise) 2" shank
DT-ALBM6600	(6"/7" drop/rise) 2" shank
DT-ALBM6800	(8"/9" drop/rise) 2" shank
DT-ALBM7000	(10"/11" drop/rise) 2" shank

Also available in 2½" shank models.

E SERIES™

Lightning quick adjustments and stunning good looks will make your buddies jealous every time you use your new E series™ ball mount.

42-00-2600

Mfg #	Description
42-00-2400	(4"/5" drop/rise)
42-00-2600	(6"/7" drop/rise)
42-00-2800	(8"/9" drop/rise)
42-00-2900	(10"/11" drop/rise)
STBM

Shhhh. You'll never know how quiet a ball mount can be until you use a Fastway® STBM. It completely eliminates rattle and its sleek design and hand polished finish will definitely turn heads.

DT-STBM6600

Mfg #	Description
DT-STBM6400	(4"/5" drop/rise) 2" shank
DT-STBM6600	(6"/7" drop/rise) 2" shank
DT-STBM6800	(8"/9" drop/rise) 2" shank
DT-STBM7000	(10"/11" drop/rise) 2" shank

Also available in 2½" shank models.

NEW! E SERIES HD™

Designed to fit your 2-1/2" receiver and built to tow your heaviest loads. No other ball mount on the market is stronger, built better, or looks as gorgeous as the NEW Flash E series HD.™

42-00-2625

Rated to tow a maximum of 1,800 lbs. tongue weight and 18,000 lbs. trailer weight!

Mfg #	Description
42-00-2625	(6"/6" drop/rise)
42-00-2825	(8"/8" drop/rise)
42-00-2925	(10"/10" drop/rise)

Fastway Flash - Faster, Easier.™

FASTWAY Trailer Products®

ALBM, STBM, and E series ball mounts are rated to tow a max. 1,000 lbs. tongue wt. /10,000 lbs. trailer wt.

Peace of Mind

FORTRESS COUPLER LOCK™

The Fastway® Fortress™ universal coupler lock fits more trailer couplers than any other lock on the market and will keep your trailer secure, providing peace of mind.

Mfg #	Description
86-00-5015	Fastway Fortress universal coupler lock

Fastway Locks - Faster, Easier™

#1 IN TOWED VEHICLE BRAKING

MotorHome READERS CHOICE AWARDS 2016

MADE IN USA

AIR FORCE ONE

100% PROPORTIONAL BRAKING, 100% HASSLE FREE

For Air Brake Motorhomes

US Patent 7,699,406

- Proportional
- Only air brake to meet DOT and chassis regulations
- Fits every car and motorhome *
- No pulleys, catches, or springs
- Breakaway integrated
- Industry leading 5 year warranty

* Requires Air Brakes on Motorhome

99243   Air Force One Braking System
99213   Air Force One, Second Car Kit*

STAY-IN-PLAY DUO

UNMATCHED RELIABILITY, UNMATCHED EASE

For Hydraulic Brake Motorhome

- Dual-signal progressive activation
- Fits every car and motorhome
- No pulleys, catches, or springs
- Breakaway integrated
- Industry leading 5 year warranty

99251   Stay in Play Duo Braking System

US Patent 6,644,761

DELTA FORCE

BIG BRAKING POWER, 1/4 THE SIZE

Universal Portable Solution

- Dual-signal proportional
- Flexball actuator mount
- Wireless coachlink
- Set-It-Once Pedal Clamp
- 75% smaller than competitor models
- Breakaway integrated
- Industry leading 5 year warranty

99242   Delta Force Braking System
99249   Delta Force 2nd Car Kit

WIRELESS COACHLINK ™

UNIVERSAL FOR ALL BRAKING SYSTEMS

Universal for all Braking Systems

- Plugs into coach power port
- Instant visual feedback that brakes are applied
- Transmits signal from towed-vehicle
- Positive "Brakes on" light
- Audible tone indication lets you know your SMI system is working flawlessly

99955   Wireless Radio Set

New!

ROADMASTER

Time Tested • Time Proven

A proprietary eggshell design distributes stress evenly.

6061 T6 military-grade aluminum

Built-in channel guides protect the safety cables and power cord

World's first illuminated tow bar

Introducing the Nighthawk, a non-binding, aluminum alloy tow bar incorporating a jaw-dropping design with embedded LED lights. It includes internally-routed safety cables and power cord, an attractive black matte finish and solid stainless steel inner arms.

Nighthawk is ROADMASTER's first tow bar designed for direct-connect baseplates which incorporate the strength of the crossbar into the mounting bracket — so no crossbar is required.

Aesthetically, the Nighthawk emulates the clean, sleek look of the Sterling All-Terrain tow bar, with which it shares many performance and convenience features, including a military-grade aluminum alloy shell.

- Non-binding Freedom Latch™ — disconnects first time, every time.
- The Nighthawk has the longest tow bar arms ever produced, for maximum stability while towing
- Solid stainless steel inner arms for smooth, trouble-free operation and easy maintenance.
- Built-in channel guides — support and protect the included safety cables and power cord.
A row of LEDs along each tow bar arm illuminates with the motorhome's lights. The 300-lumen LEDs add safety and convenience to nighttime towing — what was the darkest portion of the towing system is now easily visible to other drivers, and also visible when it comes time to disconnect.

676   **Nighthawk tow bar** ....
       8,000-pound weight capacity aluminum motorhome-mounted tow bar — weighs 35 pounds
       Includes safety cables and power cord
677   **Nighthawk** for Blue Ox brackets..............................

Tow Bar Adapters

The **031** adapts the following tow bars to Blue Ox brackets: Falcon; Falcon All-Terrain; BlackHawk; BlackHawk All-Terrain (with serial numbers up to 16,500); Sterling (with serial numbers up to 14,500).

031 ....

The **031-5** adapts all Sterling tow bars (with serial numbers above 14,500) and BlackHawk All-Terrain tow bars (with serial numbers above 16,500) and Nighthawk tow bars to Blue Ox brackets (includes collar).

031-5...

The **034** adapts the following tow bars to Demco brackets: Falcon; Falcon All-Terrain; BlackHawk; BlackHawk All-Terrain (with serial numbers up to 16,500); Sterling (with serial numbers up to 14,500).

034 ....

The **034-5** adapts all Sterling tow bars (with serial numbers above 14,500) and BlackHawk All-Terrain tow bars (with serial numbers above 16,500) and Nighthawk tow bars to Demco brackets (includes collar).

034-5...

Tow your Jeep on the cheap!

Connect any ROADMASTER motorhome-mounted tow bar directly to the bumper mounts on off-road vehicles.

035 — for bumper mounts that are ¾" thick............................
035-1 — for bumper mounts that are 1" thick..................... 00.00
Note: before using these adapters, confirm that the bumper is approved for flat towing by the manufacturer.

ALL-TERRAIN™

Non-binding tow bars

Our premium line of tow bars, with the exclusive Freedom Latch™, patented storage latch and built-in cable guides.
• Solid stainless steel inner arms
• Powder-coated finish
• Most durable and rust-free tow bars in the industry

MOTORHOME READERS CHOICE AWARDS — AWARD WINNER

Freedom Latch™ non-binding technology

No more binding!
(or skinned knuckles, or "#%?#^@?*!!!")

A patented cam design inside the Freedom Latch transforms linear motion into rotary motion at a 400-to-1 ratio — five pounds of force against the latch equals 2,000 pounds of force against the lock. So you'll never have to straighten and align your towed vehicle to release the tow bar — Freedom Latches release at any angle or bind. First time, every time.

After all, who's on vacation here — you, or your tow bar?

Falcon All-Terrain

522 **Falcon All-Terrain tow bar** ....
6,000-pound weight capacity motorhome-mounted tow bar — weighs 38 pounds

Sterling™ All-Terrain

576 **Sterling All-Terrain tow bar** ....
8,000-pound weight capacity aluminum motorhome-mounted tow bar — weighs 35 pounds
Includes safety cables and power cord

BlackHawk™ 2 All-Terrain

422 **BlackHawk 2 All-Terrain tow bar** ....
10,000-pound weight capacity motorhome mounted tow bar — weighs 42 pounds

Exclusive features
• **Patented one-step storage latch**
Fold the tow bar toward the motorhome and it will "click," automatically locking in place.
• **Built-in channel guides**
Both the safety cables and the power cord are routed through the built-in channel guides for protection against damage or dragging, and for a clean, uncluttered look.
• **Solid stainless steel inner arms**
For smooth, trouble-free operation and easy maintenance. Stainless steel looks better, lasts longer and prevents corrosion that binds.
• **Largest hook-up radius**
No wasted time lining up your towed vehicle! You can't say this about many things in life but connecting ROAD-MASTER tow bars is just like horseshoes — "close" is good enough.
• **Metal-flake powder-coat finish**
Exceeds all 500-hour salt spray, extreme weather and high-impact standards.

World's Strongest Aluminum Tow Bar!
The Sterling All-Terrain weighs just 35 pounds, yet pulls up to four tons. Comes with safety cables, the power cord and a stainless steel powder-coat finish.

Falcon 2™

Time-Tested, Proven, Reliable!

Time Tested • Time Proven

Falcon 2 stowed
In the folded position, the Falcon 2 conveniently stores out of the way on the back of your motorhome. A tow bar cover (sold separately) keeps your tow bar clean.

6,000 pound weight capacity motorhome-mounted tow bar

• Stainless steel in virtually every moving component for smooth, trouble-free operation.
• Autowlok™ locking mechanism — allows both tow bar arms to extend or retract for a quick connection. Then, as you drive away, the arms self-center and automatically lock.
• A patented latching mechanism ensures secure, easy storage on the back of your motorhome.
• One-person quick connect and disconnect — thanks to self-supporting "quick-disconnects," one person can easily connect or disconnect the Falcon 2 in seconds.
• Full-length, steel crossbar for maximum support
• A lustrous powder coat finish for maximum durability

520 **Falcon 2 tow bar** — weighs 37 pounds ....
525 **Falcon 2 tow bar** (fits Blue Ox brackets) ....

'Hidden' tow bar baseplates

ROADMASTER makes thousands of baeplates **See the application guide or call us for the baseplate for your vehicle.**

Now you see 'em...   ...now you don't!

Why *our* baseplates are the strongest, safest and easiest to use…

• **A better design** — Our baseplates are integrated into the frame and undercarriage of the vehicle, connecting to existing holes and fasteners wherever possible, for a quick, easy installation by your local professional.
• **Easier installation** — Our baseplates are 30 percent quicker to install, on average, than other brands — there are fewer components to unbolt or remove and fewer holes to drill.
• **Computer-tested** — every baseplate design is subjected to computer-simulated "Finite Element Analysis." ROADMASTER was the first towing products manufacturer to use computerized stress testing — as well as "real world" physical testing — to ensure structural integrity and maximum strength.
• **Custom fit** — every baseplate is custom-made to fit a specific vehicle or range of vehicles.
• **We have the bracket for your car** — ROADMASTER has more than 1,200 different baseplates available (far more than any other company) — which fit nearly every vehicle made over the last 25 years.
• **Baked-on finish** — every baseplate is powder coated. In this process, charged particles of pigment are baked into the surface of the baseplate. They fuse to the metal to form a lustrous, uniform and extremely durable finish.

ROADMASTER

INVISIBRAKE®

A fully automatic supplemental braking system

Presto!

InvisiBrake isn't magic, it just seems that way

READERS CHOICE AWARDS 2012-2013

What is InvisiBrake? The world's best towed car supplemental braking system.

Why is InvisiBrake better?

- NOTHING to put in or take out to tow or drive.
- CHARGES the battery while towing. Never drains the towed car's battery.
- EASY operation. Works intuitively. No fuss, no hassle. It just works.
- MONITORS the towed vehicle's braking condition with audio and visual alerts.
- SAFETY is standard. Includes break away system and alarm for safety.

InvisiBrake braking system
8700

All components for a 2nd motorhome kit
98850

All components for a reinstall on a new car.
Uses your InvisiBrake controller and air cylinder.
98700

BRAKEAWAY™
TOWED VEHICLE EMERGENCY BRAKING SYSTEM

BRAKEMASTER™
by ROADMASTER

PROPORTIONATE TOWED CAR BRAKING SYSTEM

Made in the U.S.A.

Included with BrakeMaster 9160 and 9060, the BrakeAway system works in conjunction with your BrakeMaster to bring your towed vehicle to a controlled stop should it ever separate from your motorhome.

What is BrakeMaster?

BrakeMaster is ROADMASTER's 'direct' proportional braking system. It connects directly to the motorhome's air or hydraulic braking system for rock-solid, reliable braking — brake line pressure in the motorhome controls the brakes in the towed vehicle. Because it connects directly to what powers your motorhome's brakes, BrakeMaster is a truly proportional, truly synchronized braking system — however you brake the motorhome, BrakeMaster automatically applies the same pressure. Every time. Connects and disconnects
from the towed vehicle in under a minute, without any tools, adjustments or settings — attach the brake pedal clamp, secure to the floor or seat adapter, quick-connect the air hose, and you're ready to tow.
Weighs just 3¾ pounds and measures 17 inches in length — stores almost anywhere.
There's a BrakeMaster for all three types of motorhome brakes...

9100	**BrakeMaster for motorhomes with air or air over hydraulic brakes** ....
9160	**BrakeMaster with BrakeAway for motorhomes with air or air over hydraulic brakes**....................
9060	**BrakeMaster with BrakeAway for motorhomes with hydraulic brakes**...
8600	**BrakeAway kit** *(included with 9060 and 9160)* ....
104	**Air cylinder storage bag**...
900002	**Brake Pressure Reducer** *for installing BrakeMaster in vehicle with active braking system.* ....

Seat adapters — Provide a vehicle-specific mounting location to pin the BrakeMaster. Available for most vehicles; required on some applications.
Check online at www.fitmaster.roadmasterinc.com to see if one is required for your vehicle.

Hitch Accessories

Note: longer safety cables or safety cable extensions may be necessary for any accessory which extends the length of the towing system.

High-Low Hitch Receiver Adapters

Use a High-Low Hitch to level the RV hitch to the tow bar. The shanks can be turned up or down as needed to level the towing system.
Only for towing a car behind a motorhome — not for use with any type of trailer.
Flip up or down as needed to level the towing system.

For 2-inch receiver hitches

The 07 series High-Low Hitches have a 6,000-pound GVWR and a maximum tongue weight of 200 pounds.
The 048 series hitches have a solid-steel shank, allowing a 10,000-pound capacity and 400-pound tongue weight.
Fit nearly all two-inch receiver hitches. Available in two-, four-, six-, eight- and 10-inch sizes.

Shown: 048-8 Hi-Low Hitch. Also available in 2", 4", 6" and 10" sizes.

	size	weight capacity in pounds
048-2	2"	10,000 ....
072	2"	6,000 ....
048-4	4"	10,000 ....
070	4"	6,000 ....
048-6	6"	10,000 ....
076	6"	6,000 ....
048-8	8"	10,000 ....
048-10	10"	10,000 ....

Stop sway and wander before it begins!

Quiet Hitch™

ROADMASTER

Time Tested • Time Proven

Dual Hitch Receiver

With this dual-purpose hitch receiver, you can add a bike carrier or other hitch accessory to the rear of your motorhome. Solid-steel construction; 10,000-pound capacity; 400-pound maximum tongue weight.

077-4

U.S. patent number 5,884,930

077-2   2"/2" Dual Hitch Receiver
Both receivers offset by two inches..............................

077-4   2"/4" Dual Hitch Receiver
One receiver offset by two inches; the other by four ...

077-6   2"/6" Dual Hitch Receiver
One receiver offset by two inches; the other by six .....

077-8   2"/8" Dual Hitch Receiver
One receiver offset by two inches; the other by eight .

077-10   2"/10" Dual Hitch Receiver
One receiver offset by two inches; the other by 10 .....

Anti-rattle Hitch Receiver Extension

This 7½" hitch extension has a solid steel shank, allowing a 10,000-pound capacity and a 400-pound tongue weight.
A threaded hitch pin hole and bolt eliminate the rattle, wander and sway associated with other hitch extensions.

071-1075   7½" hitch extension ....

Hitch Receiver Extensions

The hitch receiver extensions provide 7½ and 12 inches, for those towing systems which need a little more reach. Rated at 6,000-pound GVWR and 200-pound maximum tongue weight.

071-75 7½" Hitch Receiver Extension ....

071   12" Hitch Receiver Extension ....

Quiet Hitch eliminates any free play between the receiver and the tow bar (or whatever you insert) for a solid, seamless connection. Consistent pressure keeps your towing combination tracking straight — all with considerably less effort on your part.
Also reduces tire wear, and wear and tear on the hitch and receiver. Especially effective on towing combinations with multiple hitch extensions; also reduces noisy rattle caused by hitch accessories.

061   Quiet Hitch for 2" hitch receivers.....................................

062   Quiet Hitch for 2½" hitch receivers ....

061-125 Quiet Hitch for 1¼" hitch receivers ....

Note: the receiver must have a ring or collar around it for Quiet Hitch to attach.
