TABLE OF CONTENTS

ORDERING INFORMATION

Payment Terms

All invoices are due for payment by the 10th of the month, following the month in which the purchase was made. The billing cycle starts on the 26th of the month and continues through the 25th of the next month. If the account should become delinquent and remain unpaid on the 25th of the second month following purchase, a 2% service charge will be applied. Past due accounts may be placed on a cash basis at our option.

Pricing

Prices are consistent with current market conditions and are subject to change without notice.

Shipping

We are happy to ship any product ordered via UPS or common carrier LTL (pallet shipments). Just confirm with your sales representative how you would like your order delivered. In some cases, we may have free local delivery available (commercial addresses only). For a more complete description of our delivery options, please call your local warehouse.

Online Ordering

With an account, you'll be able to: check stock levels and pricing, place an order, check order status, and search account history and A/R balance.

Monthly Specials

We send out monthly flyers to your email with specials that you won't find anywhere else. Sign up for our monthly specials at www.sixrobblees.com.

Returns

No returns will be accepted without a return authorization number. A restocking fee may be levied on returned merchandise.

Disclaimer

Six Robblees' Inc. has made a diligent effort to illustrate and describe products in this catalog accurately; however, illustrations, photos, and descriptions are for the sole purpose of identification and do not express or imply a warranty that the products are merchantable, or fit for a particular purpose, or that the products will necessarily conform to the illustrations, photos or descriptions. Six Robblees' Inc. makes no warranty or affirmation of fact, express or implied. Six Robblees' Inc. is not responsible for inadvertent typographical errors or omissions. No part of this book may be reproduced or utilized in any form or by means, electronic or mechanical, including recording, photocopying or by any information storage and retrieval system without permission in writing by Six Robblees' Inc. The sole intent of this catalog is to aid Six Robblees' Inc. customers in the resale of trailer and light truck parts.

Six Robblees' Inc., having been open for business since 1913, is excited to be celebrating its 103rd Anniversary. The following is a brief history of the first 102 years.

The company was originally started as J.A. Robblee & Co. in Tacoma, WA by three brothers; Jim a sheet metal worker, Bill a locksmith and Herb a bicycle repairman. Although repairing bicycle wheels brought in the majority of their business, by the end of the World War I their experience in tuning bike spokes had been transformed to racing car wheels for drivers of the local Indy car circuit. Over the next several years, other brothers joined the company and lent their expertise. By 1920, a second location was added in Seattle.

Founding brother, Jim passed away in 1930 and willed his interest to his six remaining brothers; Bill, Herb, Fred, Ted, Hank and Dick. The company was then renamed Six Robblees' Inc. The locksmithing operation was sold to some nephews in 1948 when Hank and Dick bought out their retiring brothers; Bill, Fred, Herb and Ted. Dick started Six Robblees' Inc. of Oregon in Portland in 1940 and worked there until selling to Hank's son, Dave in 1987. Hank opened a third location in Yakima in 1964.

Dave Robblee started in 1966 and through the National Wheel and Rim Association (NWRA) expanded the business into custom wheels, installer undercarriage auto parts and a complete line of tire shop supplies and equipment. He was active in signing Six Robblees' up as members of buying groups Heavy Duty America (HDA) and Ascot Tire Supply. In addition, he grew the company by adding 12 branches throughout Alaska, Montana, Oregon and Washington. Amongst some of the branch additions were the purchases of Union Rubber Company (Oakland, CA), Motor Wheel and Parts (Seattle, WA) Dee's Truck Parts (Wasilla, AK), Northwest Wheel (Great Falls, MT), Montana Wheel (Missoula, MT), WIM (Kennewick, WA) and True Wheel Inc. (Vancouver, WA).

The purchase of Motor Wheel and Parts of Seattle, WA and Bearing & Rim of Spokane, WA in 1992 thrust the company into the small trailer parts market and added a solid third market segment to the already thriving truck parts and tire shop supplies categories – all three centered around the wheel.

The new millennium opened with the retirement of Dave Robblee and the promotion of longtime sales & general manager, Tom Ogren, as president. He opened 4 branches, two of which were through the purchases of Tech Supply (Eugene, OR) and Gamo Truck Parts (Grants Pass, OR). Tom retired at the end of 2008 and handed the title of president to Andy Robblee (Dave's son). Andy has added 3 branches and expanded the company into Idaho and Wyoming through the purchase of Milo's Auto & Truck (Casper, WY) and Valley Brake & Truck Parts (Twin Falls, ID). In addition, he facilitated the purchase of two Anchorage, AK companies; Custom Truck Inc. and Mobile Trailer Supply.

Six Robblees' Inc. has grown from a small family business with 3 employees to a small family business with 22 branches in 8 states. Our product offering has expanded to include car, truck and trailer wheels as well as small trailer components, light truck accessories, tire shop supplies, equipment and heavy duty parts. We have seen tremendous growth and improvement in product offering and service; preserving the belief – "Customers deserve great service!" We hope you will join with us as we grow in the future.
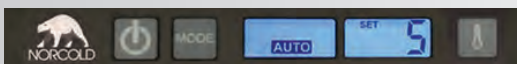

Andy Robblee

POLAR 7LX

⬧ **Capacity** – New state-of-the-art technology allows Norcold to increase storage space
   • The benefits of a 7-cubic-foot refrigerator in a 6-foot enclosure!

INDUSTRIAL
PURE SINE WAVE INVERTERS

Go Power!®

HEAVY DUTY
MODIFIED SINE WAVE
INVERTERS

cULus **on select ISW inverters!**

Premium mobile power in a sleek, lightweight profile. Bring reliable power on the road with the new Go Power! Industrial Pure Sine Wave Inverter, available in 200-3000 watts. Provide peace of mind when powering electronics with a 2-year warranty.

Economical power solutions for running lights, appliances, and other resistive loads. The Go Power! Modified Sine Wave Inverters are reliable inverters that range from 225 to 5000 watts and come with a 1-year warranty.

SURGE GUARD*
RV POWER PROTECTION

FULL ELECTRICAL PROTECTION

Surge Guard full electrical protection products are ideal for larger travel trailers, fifth wheels, and motorhomes that contain more electronics. These products protect the RV by disconnecting the power supply, preventing the bad power from entering the RV. These units provide protection against:

- Power surges
- Open ground
- Open neutral
- Reverse polarity
- Miswired pedestal
- Low (<102V) and High (>132V) voltage

SURGE PROTECTION

Surge Guard surge protection products with pedestal wiring diagnostics are designed for pop-up campers and small travel trailers with less electrical amenities. These devices provide high level surge protection along with visual identification of a wiring issue or power supply fault.

FULL PROTECTION HARDWIRE

Automatically shuts off the power when excessive voltage, low (<102V) and high (>132V), or an open ground or neutral is present. Auto reset on power restoration. Caution light indicates surge failure, miswired pedestal, reverse polarity, and elevated ground voltage. 128 second reset delay. Fits neatly inside RVs electrical compartment. Optional Remote Power Monitor LCD Display (sold separately).

35550	120/240V, 50A
35530	120V, 30A
40300	Remote Display

FULL PROTECTION PORTABLE

Automatically shuts off power for overheating, excessive voltage, low (<102V) and high (>132V), or open ground/neutral conditions are present. Auto reset on power restoration. LCD display shows voltage and amp draw on all legs. Shows faults for open neutral, open ground, reverse polarity, miswired pedestal, or elevated ground voltage. 128 second reset delay. Easy-T-Pull™ plug handles. Weather resistant.

34950	120/240V, 50A, RV Side Open Neutral, Elevated Ground Live Voltage Protection, Start sequence is 10 seconds
34930	120V, 30A, Elevated Ground Live Voltage Protection, Start sequence is 10 seconds

PORTABLE SURGE PROTECTORS

Surge protector designed to handle the high power consumption demands of RVers. Analyzes circuits to identify power supply status. Checks for open ground, open neutral, correct polarity, and reversed lines/ground. Features surge protection indicator and thermal sensor to indicate overheating plug/receptacle. Easy-T-Pull™ plug handles. Weather resistant with a rain-proof cover.

44380	120V, 30A		44280	120V, 30A
44390	120/240V, 50A		44290	120/240V, 50A

PORTABLE SURGE PROTECTORS

Identifies faulty park power plus offers surge protection. Analyzes circuits to verify pedestal power. Checks for open ground, open neutral, and correct polarity. Illuminated power status indicators. Easy-T-Pull™ plug handles.

44260	120V, 30A
44270	120/240V, 50A

PORTABLE SURGE GUARD WITH GROUND FAULT

Great for pop-ups and travel trailers. Automatically shuts off the power when ground faults are present. Requires manual reset after a ground fault. Weather resistant. Easy-T-Pull™ plug handles.

44750	120V, 30A

SIX ROBBLEES' INC. Since 1913

BASIC AUTOMATIC TRANSFER SWITCHES c(UL)us

Mechanical interlocking contactors.Time delay at power up. Transfers to generator power automatically when energized after a 30-second delay. 50A, FLA contactor. **SPECIAL ORDER**

40100	120/240V, 50A
41300	120V, 30A

⚡ SURGE GUARD* AUTOMATIC TRANSFER SWITCH c(UL)us

Protects RV from the most damaging common electrical faults. Transfers to either shore power or generator automatically when energized. In the event both shore and generator powers are available, generator power will dominate after a 30 second delay. Includes 2,600 Joules of surge suppression (fuse protected), and protects against open neutral and reverse polarity. 50A, FLA contactor.

41260	120/240V, 50A

🛡 SURGE GUARD* RVC COMPATIBLE AUTOMATIC TRANSFER SWITCH c(UL)us

Same great features as the Surge Guard* ATS plus total electrical protection from faulty park power. Provides added protection from low (<102V) and high (>132V) voltage, miswired pedestal, open ground, and high and low frequency. Oversize contactors 65A, FLA contactor rating. 3,350 Joules of surge protection.

41390	120/240V 90A
40350	120/240V, 50A
40299	120V, 30A, Remote Display
40258	Remote Display, 50' Communication Cable

DIGITAL VOLTAGE MONITOR

Fully tests incoming power for: open ground, reverse polarity, and high/low voltage. Constantly monitors line RMS voltage and checks frequency. Small, rugged construction. Includes audible alarm when electrical fault occurs.

AECM20020	

NEUTRAL-GROUND BONDING PLUG

Provides protection for a single 15A receptacle from over-voltage conditions with limited surge protection. Can be used on any 15A receptacle in a RV, home, or campground. Great add-on when using a portable surge protector device to enhance protection.

44300	

OVER-VOLTAGE ADAPTER

This plug is used on portable generators that are designed with a floating neutral electrical system. All RV full electrical protection devices devices detect this as an open ground fault and will not allow power to pass through. Simply plug into one of the 15A outlets on the generator to use.

44400	

LOCK HASP

Prevents unauthorized removal of your portable Surge Guard* device from your RV. Also can be used to protect connection points of extension cords and adapters.

*Only compatible with 44260, 44270, 44750.

34590

VALTERRA®
Sniff-N-Stop

No harmful or dangerous chemicals, long lasting protection saving you time and energy over traditional pest killing baits and sprays. Includes two different products for specific uses. Contains 1 large pouch that you can hang or place in a large storage area. Also contains 6 small pouches that you can place in small interior storage areas. In addition, a spray product is included to stop ants from invading through every ground contact Lightly mist the RV interior at floor level and interior/exterior storage areas prior to placing unit in storage.

V23620	Sniff 'n' Stop® RV Kit

THETFORD
Premium Bug Bust

PREMIUM Bug Bust. Special cleaning agents easily remove tough, sun-baked bugs. Safe on gel-coat, fiberglass, decals & painted aluminum. Multi-purpose works on RV's, trucks, cars, & boats.

32613	Bug Remover 32-Oz

THETFORD
Foaming Awning Cleaner

Special formulation safely removes tough leaf and mildew stains from fabric and vinyl awnings. Also effective on mold stains, sap, bird droppings, bugs and more. DfE Recognized for safer chemistry by the EPA!

32822	Ultra Foam Awning Cleaner

THETFORD
Awning Cleaner

Specially formulated to remove mold stains, mildew stains, dirt, tree sap and grime on and under awnings. Protects against damaging effects of the sun's rays, weathering and salt.
32518 is 6 per case, 32519 is 4 per case.

32518	Awning Cleaner 32-Oz
96017	Awning Cleaner 64-Oz
32519	Awning Cleaner 1-Gallon

THETFORD
Black Streak Remover

Quickly and easily removes black streaks, bugs and other tough soils. Safe on finishes, won't harm or fade decals. Easy-to-use, spray wipe formula!

32501	Black Streak & Bug Remover 32-Oz

THETFORD
Foaming Black Streak Remover

Powerful foaming action keeps the formulation on the surface longer, improving the way it removes black streaks, bugs and other tough soils. DfE Recognized for safer chemistry by the EPA!

32816	Black Streak Remover - 32 Oz

THETFORD
Premium RV Wheel & Tire Cleaner

Unique 3-in-1: Cleans wheels, cleans tires and leaves a like-new shine. Active UV Blocker: Keeps your tires looking better longer. Portable 24 oz. Trigger Spray Bottle: Cleans one Class A, with some to spare. Dissolves road grime.

96253	Wheel & Tire Cleaner

THETFORD
Premium Protect & Shine

Cleans - Polishes - Protects! Quickly restores color and shine to RV's, trucks, cars & boats. UV blocker so surfaces look better longer. Contains the finest Carnauba Wax. Spray and wipe. Petroleum free, rubber roof safe; no abrasive or greasy residues.

32755	Protect & Shine 32-Oz
32756	Protect & Shine 128-Oz

THETFORD
Premium Wash & Wax

Removes the toughest soils such as black streaks, dried on bugs, bird droppings, dirt, road film, more. Safe on finishes, won't harm or fade decals. DfE Recognized for safer chemistry by the EPA!

32516	Wash & Wax 32-Oz
96014	Wash & Wax 64-Oz
32517	Wash & Wax 1-Gallon
32604	Wash & Wax 55-Gallon

THETFORD
Wash & Wax Toss-In

2-in-1 professional -strength formula. Dissolves quickly, produces high-foam action and removes soils.

96008	Wash & Wax Toss-Ins - 6/pk

THETFORD
Premium Wax

Removes oxidation and restores color to dull surfaces. Leaves a long-lasting, mirror-bright shine! Contains the finest Carnauba Wax. UV blocker so surfaces look better, longer. Multi-purpose - works on RV's, trucks, cars, & boats.

32522	RV Wax 32-Oz
32523	RV Wax 1-Gallon

THETFORD
Rubber Roof Cleaner

Deep cleans, conditions and protects in one quick, easy step! Non-petroleum formula that's tested safe! UV blocker so roof looks better longer. Removes oxidation, tree sap, bird droppings, & dirt buildup from rubber, fiberglass & aluminum roofs.

SIX ROBBLEES' INC.
Since 1913

Sikaflex 505

Sikaflex-505 UV is a one-component silane terminated polymer (STP) sealant containing no solvents or isocyanates with excellent UV and weathering resistance. Sikaflex-505 UV offers 60 minute tack free time with excellent adhesion to a wide variety of substrates with little or no surface treatment, has excellent tooling characteristics and non yellowing.

017-415763   STP Sealant

Sikaflex 221

This fast curing product provides permanent elastic adhesion to a number of surfaces with excellent cut and tear resistance. Designed to resist the shock and abuse encountered over countless road miles, Sikaflex -221 will maintain its strength and adhesion over the long haul. Sikaflex -221 is weather resistant, sandable, paintable and NSF approved for potable water and incidental food contact.

017-106449	**Sikaflex 221 Colonial White** **300 ML Cart**	
017-90891	**Sikaflex 221 White** **300 ML Cart**

017-90893	**Sikaflex 221 Black** **300 ML Cart**	

Sikaflex 252

The original elastic bonding adhesive, Sikaflex-252 offers great adhesive strength coupled with elasticity. This combination bonds and seals at the same time, offers excellent gap filling capabilities and compensates for loose tolerances in the building process. Strong enough to sharply reduce or even completely eliminate traditional fastening systems such as welds, rivets, screw and bolts. Excellent Green Strength means reduced clamping time. Bonds to a wide variety of substrates. Some surface prep is generally recommended. Sandable, paintable and NSF approved for incidental food contact.

017-90915 Sikaflex 252 White 10.5 OZ Cart
017-90916 Sikaflex 252 Black 10.5 OZ Cart

Sikaflex 715

Sikaflex-715, is a cross-linking "chemical curing flexible, elastic, and durable roof sealant". This curing process imparts a highly elastic internal strength not found in traditional RV roof sealant products. Sikaflex-715 will bond to a variety of roofing component substrates. Unlike other roofing sealants, Sikaflex-715 has very low VOC's and won't crack under the most extreme conditions! Traditional roof sealants have high shrink characteristics and crack when exposed to the environment. Sikaflex-715 provides peace of mind!

017-187690   Sikaflex 715 Roof Sealant
300 ML Cart

Sikasil GP

SikaSil silicone is an acetoxy-curing low modulus sealant used for general seam sealing in interior and exterior applications. It has excellent adhesion to metals, glass, plastics & fiberglass. SikaSil GP has excellent weather stability, is solvent free and is mold & mildew resistant. Elongation of 570%, 300 psi tensile strength, 25 minute tack time and a joint movement accommodation factor of +/-25%, Highly UV resistant.

METAL ROOF COATING SYSTEM

A **Metal Roof Rust Inhibitive Primer** halts the rusting process and creates a barrier to prevent rust from bleeding through. First remove all surface rust, dirt and debris with a wire brush. Rinse, let dry, then apply the primer which is specifically formulated to reduce further corrosion of metal roofs, while enhancing the adhesion of the Dicor Elastomeric RV Roof Coating.

Helps control rust • Water clean up • Easy to use

B **Coating Ready Cover Tape** For use on metal RV roofing, Dicor Coating Ready Cover Tape is a fleece backed sealing tape for use on metal RV roofing seams prior to coating. Its aggressive grip provides immediate sealing on contact and cures completely in 24 hours. Must be followed with Dicor Elastomeric Coating.

C **Elastomeric Metal RV Roof Coating** For use on metal RV roofing **(NOT RECOMMENDED FOR EPDM RUBBER, TPO, FIBERGLASS OR ALUMINUM ROOFING)** Dicor Elastomeric RV Roof Coating protects and beautifies metal, steel, and previously coated RV roofs. Dicor Elastomeric RV Roof Coating is formulated with 100% Acrylic Elastomeric resins to form a rubber-like coating that will expand and contract with the roof movement. Arctic White RV Elastomeric is brilliant white to provide a superior reflectivity, thereby lowering interior temperatures. Requires two coats for adequate protection at an application rate of 1 gallon per 200 sq. ft. per coat.

NEW COLOR: TAN! Dicor Products proudly introduces a new member to its color family - tan!

Rudy

RUBBER ROOF COATING SYSTEMS

Introducing our new color: Tan! Two part, commercial grade systems provides an excellent protective barrier for extending the life of EPDM. Part 2 now available in Standard, CoolCoat™ or Signature. Saves over 25% in labor compared to similar systems. Quick drying time.

(A) Part 1: Cleaner/Activator cleans and prepares EPDM roofing for maximum adhesion of the Part 2 coating. Spray on and rinse off thoroughly. Coverage rate 125 sq. ft. per quart. Biodegradable.

SELECT YOUR COATING OPTION

(B) Part 2: Option 1, Acrylic Coating* is an excellent protective barrier extending the life of your rubber roof membrane. Provides superior weatherability and UV resistance. Use with Dicor Rubber Roof Cleaner/Activator for proper adhesion. Requires two coats. Coverage rate of 1 gallon per 125 sq. ft. per coat.

(C) Part 2: Option 2, CoolCoat™ Insulating Coating* has Ceramic MicroCells™ to reduce heat transfer, known as heat flux, to the coach interior up to 29%. CoolCoat reflects and dissipates solar heat with tiny yet indestructible vacuum spheres to reduce A/C demand. Use with Dicor Rubber Roof Cleaner/Activator for proper adhesion.

(D) Part 2: Option 3, Signature Extended Life Coating* Never coat your RV roof again! Our Signature XL is 100% silicone coating. Permanently flexible, unaffected by UV rays, temperature extremes and withstands ponding water, Signature XL dries to the touch in one hour and is walkable in two. For EPDM roofs only.

FIBERGLASS ROOF COATING SYSTEM

(D) Part 1: Fiberglass Clean and Prep To ensure proper adhesion of Dicor Fiberglass RV Roof Coating to a fiberglass roof, it is essential to first prepare the surface using Dicor Fiberglass Clean & Prep. Dicor Fiberglass Clean & Prep is specifically formulated to remove all wax, oils, road grit and other contaminates on gel coat and to enhance the adhesion of the roof coating.
Fast Acting Formula • Biodegradable • Easy to use

(E) Part 2: Fiberglass RV Roof Coating This 100% acrylic resin coating forms a flexible layer over any fiberglass roof to protect and beautify. Dicor Fiberglass RV Roof Coating gives roofs a super bright white finish, which resists mildew and algae and reflects the sun's heat to help keep the interior cooler. Always use Dicor Fiberglass Clean & Prep and allow to dry before applying this coating product. Two coats are required. One gallon of Dicor Fiberglass RV Roof Coating will cover 350 sq. ft. per coat.
Protects roof • Easy to apply • Soap and water clean up

LAP SEALANT FOR MOST ROOFING APPLICATIONS

Helps create a watertight seal along a roof's edges, air vents, vent pipes and screw heads. Dicor Products Lap Sealant is a versatile sealant formulated for EPDM roofing but also compatible with most other roofing material, including Dicor DiFlex II™, Tufflex™ PVC and BriTEK™ TPO roofing. It offers excellent adhesion to aluminum, mortar, wood, vinyl, galvanized metal and concrete. Continuously seals and remains flexible. Color matched, our lap sealants are UV stabilized to prevent discoloration and deterioration and will not stain or discolor any material to which it is applied.

COMPLETE ROOFING HEADQUARTERS

DICOR ROOFING SYSTEMS

Dicor Roofing Systems assures a watertight roof that is easy to maintain and saves energy through its heat reflecting characteristics. It is highly puncture and tear resistant, has superior tensile strength and withstands damaging UV rays. The membrane resists uneven weathering, fading or chalkiness. All Dicor Roofing Systems us the same three installation components: bonding adhesive, butyl tape and lap sealant. These elements can be purchased separately or as a package in the Dicor Products Roof Installation Component Kit.

SLIDEOUT ROOFING SYSTEM

Code	Color	Size

SLIDEOUT ROOFING SYSTEMS

Dicor Slideout Roofing Systems are custom made to provide just the amount of roof you need to maintain a watertight slideout. Easy to maintain, they also save energy with heat reflective characteristics. Available in special lengths.

DICOR TUFFLEX™ ROOFING SYSTEMS

The only PVC roofing available that meets Dicor Products stringent performance standards. Easy to maintain, they also save energy with heat reflective characteristics. They are highly puncture and tear resistant, have a superior tensile strength and withstand damaging UV rays. Compatible with Dicor Lap Sealant and Butyl Tape.

THE ONLY RV ROOF LISTED BY THE COOL ROOF RATING COUNCIL

- Polar White was tested by an accredited laboratory and met all the requirements of the Cool Roof Rating Council (CRRC).
- Polar White has a high reflectivity of 86%, reflecting more light and solar radiation than competitive membranes.
- Polar White has a high Solar Reflective Index (SRI) of 108, surpassing all competitive membranes.

REPAIR

EPDM RUBBER ROOF REPAIR MEMBRANE

Repairs punctures, tears and breaks in EPDM rubber, TPO plastic, metal and fiberglass roofing. This easy to use peel-and-stick material is made of self-adhering EPDM rubber and conforms to most shapes and surfaces, yet remains flexible and strong.

533RM-6	6˝ x 25´ Roll
533RM-12	12˝ x 25´ Roll

DiSEAL SEALING TAPE

Now in Tan, DiSeal is a flexible weather resistant compound designed for sealing EPDM rubber, TPO, fiberglass, wood, plastic, steel or aluminum. Permanently seals most leaks immediately and fully cures within 24 hours.

522TPO-4125-1C	4˝ x 12.5´ Roll	White
522TPO-425-1C	4˝ x 25´ Roll	White
522TPO-450-1C	4˝ x 50´ Roll	White

522AF-66-1C	6˝ x 6˝ Patch	Foil

PATCHiT™ ROOF REPAIR KIT

Easily repair punctures, tears, and breaks that can occur in RV and manufactured housing roofs. The kit includes a 9" x 10" peel-and-stick EPDM rubber patch and a tube of lap sealant. Quite versatile by design, it can be used to patch EPDM rubber, most TPO plastic, metal and fiberglass roofing.

RUBBER ROOF INSTALLATION COMPONENT KIT

Includes two gallons of water based bonding adhesive, 150' of butyl tape used to seal around all the accessories and molding, and six tubes of lap sealant. Each kit comes with easy-to-follow instructions.

401CK	Installation Kit	White (use with BriteTEK™ roofing)
401CK-D	Installation Kit	Dove (Bright White)
401CK-T	Installation Kit	Tan
401CK-G	Installation Kit	Grey
401CK-V	Installation Kit	Ivory

BUTYL TAPE

Ideal for sealing uniquely shaped joints. Installs quickly, without gaps. Apply along unusual patterns. Because the sealant is on a continuous roll, installer can work fast and be virtually assured that there no skips or runs in the seal. Priced each.

Single Stage Regulator

Excela-Flow Single Stage Regulator 1/4"FNPT x 3/8"FNPT - 140KBTU/H

MEGR-230P	Single Stage Regulator - Pkg

Auto Change Regulator

The automatic changeover regulator is your application for two cylinder systems. The changeover feature allows users the benefit of uninterrupted fuel flow to the LP-gas system. When the service cylinder empties, the regulator will start drawing from the reserve cylinder.

MEGR-253P	Auto Change Regulator, Pkg.

High Capacity Auto Regulator

LP regulator 2-stage high capacity excele-flow automatic changeover packaged.

MEGR-253HP	Two-Stage High Capacity, Pkg.

Two Stage Regulator

Compact 2 stage regulator HN excess flow POL inlet x 3/8" FNPT outlet - 90 vent.

MEGR-295P	2 Stage Regulator, Pkg.
MEGR-295HP	2 Stage Regulator 9:00 Vent HC

Two Stage Regulator Bottom Vent.

These regulators feature all zinc body construction, high and low 1/8 NPT pressure tap ports, an integral drip lip vent and optional 90 degree vent location. The MEGR-291 series two stage regulator meets RVIA, UL and NFPA test requirements.

MEGR-291P	291 2-Stage Regulator, Pkg.
MEGR-291HP	Two Stage Regulator - High Capacity, Packaged
MEGR-291LP	Two Stage Regulator - Low Capacity, Packaged

Two Stage Regulator Side Vent

Combines all the features of the 290 two-stage regular. When mounted horizontally, it's vent is pointed down; under a protective cover. It is approved for use on single vertical cylinders or horizontal tanks. Meets requirements for use on recreational vehicles.

MEGR-298P	2 Stage Regulator, Pkg.

High Pressure Regulator

The MEGR-130 is a compact, high pressure, single stage, fixed regulator with 10 to 30 PSI - 1/4" FNPT inlet/outlet. The MEGR-130 can be used to regulate air as well LP gas.

MEGR-130-30P	30 PSI - Pkg

You Won't Believe It's Not Metal

The biggest faucet innovation in decades is available from Phoenix Products. We pioneered the use of plastic in faucets. And now we're excited to introduce the next big leap in faucet technology.

Get The Lead Out - Hybrid Faucets From Phoenix
Metal Toughness - Plastic Economy

- New metal-plastic composite has the strength of brass and the corrosion resistance of economical plastic
- Drinking water never contacts metal
- Meets all State and Federal low lead and safe drinking water requirements
- WaterSense technology uses 20% less water than your old faucet without changing your water stream
- Single handle ceramic disc or two handle quarter turn washerless valves
- ADA compliant handles on all models

Rotating Wye

• Joins two outlet hoses to one sewer hose line
• Used when unit has two separate tank valves
• Rotating bayonet ends ensure that hose lays flat
• 4 durable hooks

F02-2030 Rotating Wye, 3", Bulk

Valve and Hose Adapter

Adapts drain hose to valve system with four bayonet attachments for a leak proof seal. Twist right onto your RV sewer hose

F02-3101 EZ Coupler Valve Adapter, Red, Carded

Coupler

• Connects two hoses together by simply threading on

F02-3102 EZ Coupler, Red, Carded

90° Elbow

Multi-tiered sewer fitting press fits into sewer outlets for fast and easy set up. Two piece design allows hose to remain attached for easy storage. 3/4" threaded connector for 2nd gray water tank. Drip Cap included

F02-3103 EZ Coupler Universal Sewer Adapter, Red, Carded

Bayonet Fitting

Create an extension hose with two EZ Coupler parts (F02-3101 and F02-3108) that connect with a quick snap.

F02-3108 EZ Coupler Bayonet Fitting, Red, Carded

EZ Coupler 90

• Universal threaded sewer fitting with a standard bayonet end
• 6 different types of sewer connections with a gas tight fit
• Quick twist attachment
• Threads are 3", 3-1/2", and 4"

F02-3112 EZ Coupler 90° Bayonet Sewer Fitting, Red, Carded

RV Hydroflush

• Breaks up plugged tanks, cleans tank, pipe, valve, drain hose
• Includes an internal backflow preventer and removable anti-siphon valve

F02-4100 RV Hydroflush 45°

Clear Hose Adapters

• Clear so you know when your tank is clean. Easy bayonet attachment. No need to remove or re-attach drain hose for use with current drain hose fittings. 45° design reduces stress on sewer hose

Excels in the areas RVers want most: odor control and waste digestion!

TISSUE DIGESTER

15844   19 oz.
Dissolves tissue and prevents build-up and messy clogs. Non-staining formula is safe for all waste treatment systems.

TOILET SEAL LUBRICANT AND CONDITIONER

36663   24 oz.
Non-petroleum, silicone-based formula penetrates and coats seal for smooth operation. Extends toilet seal life and helps prevent sticking. Safe on toilets and holding tank seals. Use before storage and throughout the year for preventive maintenance.

GREY WATER ODOR CONTROL

15842   24 oz.
Eliminates grey water odors. Prevents grease build-up and won't damage seals. Non-staining, 100% biodegradable formula with pleasant floral scent.

DRAIN VALVE LUBRICANT

15843   24 oz.
Prevents sticky valves, restores smooth operation, and coats plumbing lines for consistent tank out-flow. 100% biodegradable.

STORAGE DEODORANTS

32901   24 oz.
32900   3-8 oz.
Non-formaldehyde holding tank deodorant controls odors for up to 6 months in empty totes and RV holding tanks during storage. Lubricates seals. Compatible with anti-freeze solutions.

LEVEL GAUGE CLEANER

24545   19 oz.
Restores operation to both grey and black water tanks. Repairs level sensors that fail due to tissue and sludge build-up. Dissolves waste, tissue and soap scum. Safe for all waste treatment systems.

EDUCATE CUSTOMERS

Generating more air spring sales starts with education. People with hobbies that require towing do not always realize that they are not protecting their vehicle or precious cargo. When a customer asks about a hitch, trailer taillight bulb, or other towing-related product, ask if they have air springs. If they do not, these benefits can help you make the sale
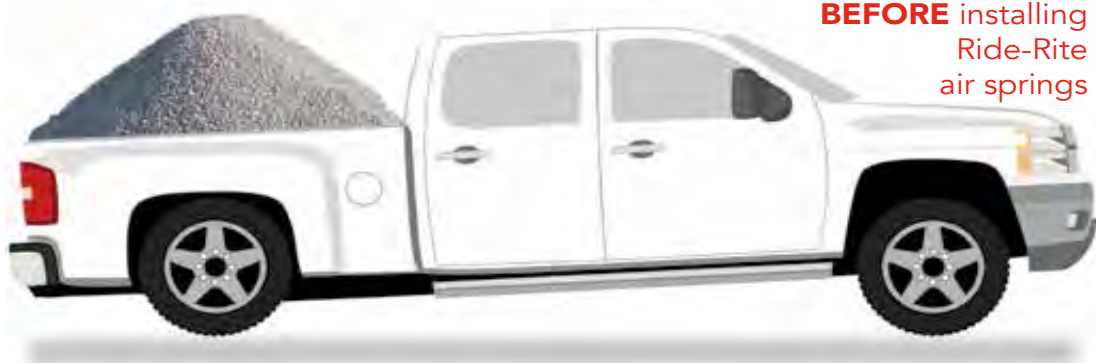

BEFORE installing Ride-Rite air springs
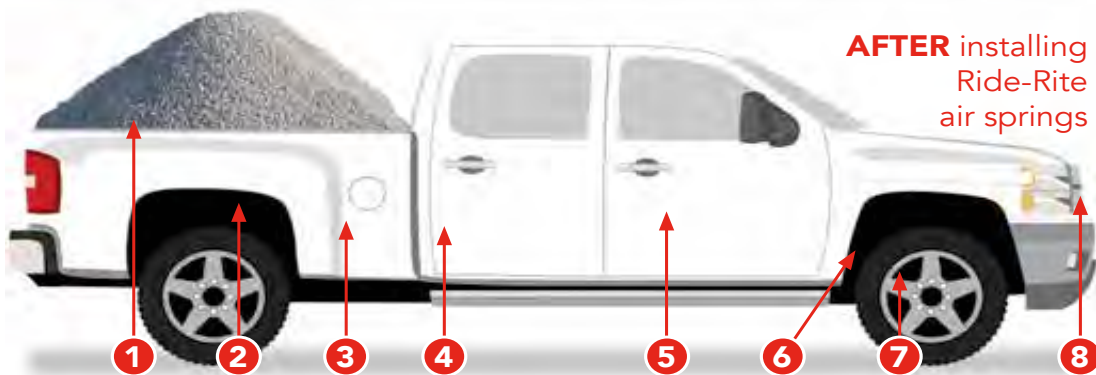

AFTER installing Ride-Rite air springs

Benefits of Air Springs

1 Prevents unbalanced loads

2 Installs easily

3 Reduces bottoming out

4 Eliminates sag

5 Increases ride comfort

6 Improves steering control and braking

7 Preserves tires

8 Keeps headlights level

Firestone

SIX ROBBLEES' INC. *Since 1913*

TOW WITH COMFORT,
CONFIDENCE, AND CONTROL

Firestone Ride-Rite Air Springs supports your vehicle for the long haul.

ABSORBS EXTREME SHOCK
Capable of withstanding sudden left-to-right or side-to-side changes in suspension travel.

AIR ONLY DESIGN
Smooth ride and high performance because we only use air. No stroke limiting bumper required.

WORRY-FREE MAINTENANCE
Durable bellow won't rip or pull apart when suspended on a lift.

LONG PRODUCT LIFE
Built to last using commercial grade steel plates with rolled crimp design, for a long life under your truck.

Representational image only.
Some kits may vary.

TAKE BACK CONTROL
With StableLoad Suspension Stabilizer

THE BEST SUSPENSION UPGRADE FOR YOUR VEHICLE

Dramatically Improves Safety, Handling, Side-to-Side Sway and Eliminates Sag

Quad contact design complements the vehicle's specially engineered suspension that automotive manufacturers have invested millions of dollars designing, while all other rear suspension products reduce contact to only two points. Works with any vehicle that has an upper or lower overload leaf spring.

VERSA LINER® STAINLESS WHEEL SIMULATORS

With over 1 million sets in service, the Versa Liner® from Dicor is the choice of more motorhome manufacturers than all other brands combined. No need to remove lug nuts or use jacks, a complete set can be installed in about five minutes. The Versa Liner® is made of tough 304L stainless steel with permanently attached simulated lug nuts, designed for years of durable service. Highly polished and maintenance-free, Versa Liners® will not rust, corrode, flake or peel. Rolled edges for tire and handling safety. The Versa Liner® attaches securely with a road proven design that stays on even in the roughest conditions. Limited 5-year warranty. Other Versa Liners® are available to fit wheels not listed.

VHS SERIES INFLATION SYSTEM

The only 4-hose air system designed exclusively for Dicor's Versa Liner® Wheel Simulators. The Versa Liner® Hose System allows easy access to both inner and outer dual wheels for inflating tires or checking pressure. Flexible braided stainless steel protects a hydraulic hose that won't kink and form weak spots like rubber will. Hose sets mount easily to valve stems using stainless steel mounting brackets included. No drilling, pop-rivets or special tools required. Fits every time with no adjustment necessary.

VHS SERIES INFLATION SYSTEMS

PART NO.	DESCRIPTION
VHS-N3GC	16" to 16-1/2" GM Universal & 19-1/2" Chevy, 8 Lug. Also fits: 16", 19-1/2" & 22-1/2" Jam Nut Wheel Simulators

UNIVERSAL INFLATION SYSTEMS

Allows access to both inner and outer dual wheels for inflating tires or checking pressure. Fits most wheel simulators and wheel covers. Universal inflation systems include UHS.

UHS SERIES (NOT PICTURED)

THE UHS series contains two 125° Outer Dual Valve Extenders (AG-125) and two Inner Dual Valve Extenders (LS-734N) with stabilizers. Hydraulic hoses have stainless steel braid – heat treated to provide strength, flexibility and extra protection. Fits most wheel simulators and includes stabilizer brackets to keep hoses centered in hand holes for easy access. Set can be used for inner and outer dual wheels.

UNIVERSAL SERIES INFLATION SYSTEM

PART NO.	DESCRIPTION
UHS-4C	Universal Dual Wheel Inflation Set

SOLID VALVE EXTENDERS

Solid nickel plated brass valve extenders are angled to allow easier access to front tire valve stems on most vehicles. Can be used on plain wheels or with most stainless steel simulators. 2/card.

SOLID VALVE EXTENDERS

PART NO.	DESCRIPTION
AG-45C	45" Front Tire
AG-125C	125" Outer Dual

VALVE EXTENDERS

Makes hard-to-reach inner dual valve stems easily accessible for proper tire inflation. A stabilizer bracket snaps into a hand hole to keep the extender centered for easy access.

LS SERIES

The LS series combines the strength and flexibility of a long-lasting hydraulic hose with the extra protection of heat treated stainless steel braid. The exclusive live stem inner core technology utilizes a floating valve stem that is activated only when air is added or removed from the tire. Hose fits every time. Installation requires no special adjustments and provides increased protection against tire deflation should the valve extender be damaged. For inner duals only. 2/pack.

LS SERIES INFLATION SYSTEMS

THE PATRIOT

B&W TRAILER HITCHES

The **Patriot 18K Slider™** is our rail mounted hitch now available with 12 inches of slide for maneuvering a short-bed truck.

18,000 LB. GTW - 4,500 LB. VTW

Fits standard mounting rails

Cam-operated, machined jaws

Polyurethane bushings for a smooth, rattle-free tow

Height Adjustment 17"-19"

ITEM	DESCRIPTION
RVK3270	Patriot 18K Slider 5th Wheel Hitch

The **Patriot 18K™** is our rail mounted hitch with a one piece base design for easier installation and a higher tow rating.

18,000 LB. GTW - 4,500 LB. VTW

Fits standard mounting rails

Cam-operated, machined jaws

Polyurethane bushings for a smooth, rattle-free tow

Height Adjustment 16"-19"

ITEM	DESCRIPTION
RVK3255	Patriot 18K 5th Wheel Hitch

The **Patriot 16K™** is our rail mounted hitch. Designed as a less expensive, lighter-weigh alternative to the Companion, with many of the same great features.

16,000 LB. GTW - 4,000 LB. VTW

Fits standard mounting rails

Cam-operated, machined jaws

Polyurethane bushings for a smooth, rattle-free tow

Height Adjustment 16"-19"

COMPANION™
FOR FORD, GM & RAM PUCKS

The **Companion for Ford Pucks, Companion for Ram Pucks, and Companion for Chevrolet/GMC Pucks** have all the benefits that customers love about our Companion, but it's designed to work with the factory hitch platform. It uses the same cushioned coupler head as the original Companion, with cam operated jaws that eliminate binding. And it's removable, with no rails left in the bed when you're not towing.

20,000 LB. GTW - 5,000 LB. VTW - Ford Companion Hitches
20,000 LB. GTW - 5,000 LB. VTW - GM Companion Hitches
20,000 LB. GTW - 5,000 LB. VTW - Ram Companion Slider
25,000 LB. GTW - 6,250 LB. VTW - Ram Companion
25,000 LB. GTW - 6,250 LB. VTW - 25K Ford Companion
25,000 LB. GTW - 6,250 LB. VTW - 25K GM Companion
Fits the factory hitch platform
Cam-operated, machined jaws
Polyurethane bushings for a smooth, rattle-free tow
Height Adjustment 16 3/4"-18 3/4" - Ford Companion and Chevrolet/GMC Companion
Height Adjustment 17"-19" - Ram Companion

COMPANION™

B&W TRAILER HITCHES

The **Companion™** adored by RVers, was designed to address the issue of sloppiness in hitches. The result is a quiet, cushioned ride that is free of jerking. And it's removable. Free up your truck bed when you're not towing.

20,000 LB. GTW - 5,000 LB. VTW
Utilizes B&W's under bed mounting system
Cam-operated, machined jaws
Polyurethane bushings for a smooth, rattle-free tow
Height Adjustment 16 1/4"-18 1/4"
Flatbed version rated at 22,000 LB. GTW, no height adjustment

ITEM	DESCRIPTION
RVK3500	Companion 5th Wheel Hitch
RVK3050	Companion Flatbed 5th Wheel Hitch

The **Companion Slider™** has all the benefits that customers love about our Companion, but adds the additional turning clearance you might need with a short-bed truck. It has an automatic latch in both directions and 12" of rearward travel. It uses the same cushioned coupler as the original Companion, with cam operated jaws that eliminate binding. And it's removable, with no rails left in the bed when you're not towing.

20,000 LB. GTW - 5,000 LB. VTW
Utilizes B&W's under bed mounting system
Cam-operated, machined jaws
Polyurethane bushings for a smooth, rattle-free tow
Height Adjustment 17"-19"

TURNOVERBALL®

THE #1 SELLING GOOSENECK IN AMERICA.

- Solid, machined 2-5/16" ball
- Durable powder-coat finish
- Only a 4" hole in the bed
- Bolts to existing holes in the frame with no drilling or welding
- Solid, one-piece machined receiver socket
- Flexible latch pin handle attached to a spring loaded, 5/8" steel locking pin that goes completely through the ball
- Limited Lifetime Warranty

NEW! OEM Ball & Safety Chain Kit

For use with factory towing systems

- Handle provides leverage for operation and a clean way to carry the ball
- Handle locks in horizontal position to prevent accidental unlatching
- Internal and external components are plated or made from stainless steel for corrosion protection
- Safety chain anchors accommodate commercially available safety chain hooks

OEM PUCK SYSTEM
5TH WHEEL ROLLER PRODUCTS

The 5th wheel roller products below are for short-bed trucks with the OEM puck system. The Ford option has a built-in roller unit and accepts a CURT 5th wheel head. The GM and Ram options are designed to accept a CURT 5th wheel roller.

Product Details

Ford roller system
• Adapts any CURT 5th wheel head unit to fit the Ford puck system
• Features integrated roller to provide added clearance for short-bed trucks

Chevrolet / GMC & Ram roller adapters
• Adapts any CURT 5th wheel roller to fit the OEM puck system
• Requires a 5th wheel roller unit to mount the 5th wheel hitch

All roller products
• Quarter-turn anchors allow for quick installation and removal
• Anchors can be adjusted to eliminate chucking between the roller and under-bed platform
• Tested for safety in accordance with SAE J2638
• Protected by a durable carbide powder coat finish
• Capacity limited to lowest-rated towing component

OEM PUCK SYSTEM
5TH WHEEL HITCH LEG KITS

5th wheel kits are available for Ford, GM, Nissan Titan XD and Ram trucks with the OEM puck system. These kits come with puck system legs and fit long-bed trucks. For short-bed trucks with the puck system, a 5th wheel roller will be needed.

Product Details

- Legs allow CURT 5th wheel hitches to fit an OEM puck system

- Quarter-turn anchors allow for quick installation and removal

- Anchors can be adjusted to eliminate chucking between the legs and under-bed platform

- Protected by a highly durable carbide powder coat finish

16069 - GM legs with Q25 head

16074 - Nissan legs with A20 head

16034 - Ford legs with A20 head

16049 - Ram legs with Q25 head

Part#	Fits	GTW
16017	Ford	Up to 24,000 lbs.
16021	Ram	Up to 25,000 lbs.
16025	Chevrolet / GMC	Up to 25,000 lbs.
16026	Nissan Titan XD	Up to 20,000 lbs.

UNIVERSAL UNDER-BED BRACKETS
& INDUSTRY-STANDARD BASE RAILS

- Intended for vehicle applications not covered by CURT custom brackets

- Compatible with CURT and most competitive 5th wheel hitches, rollers and gooseneck adapters

- All universal brackets require drilling or welding to be installed

SIX ROBBLEES' INC. *Since 1913*

Faster, Easier Sway Control

The e2™ hitch features a unique rigid bracket system with built-in sway control and weight distribution for safer, smarter, and hassle-free towing. The e2 gets you on the road faster without the work or stress related to add-on sway control bars that have to be placed on old chain-style hitches, and then removed when backing, making tight turns or during stormy weather- right when you need sway control the most.

The e2's permanent, built-in sway control and weight distribution save you time and effort every time you hook up your trailer. It gives you confidence when towing, knowing that if you experience cross winds, pass a semi-truck, or need to make a quick maneuver, you have built-in sway control, keeping you and your family safer on the road.

The Fastway® e2™ hitch comes in round bar and trunnion styles.

Fastway e2 - Faster, Easier.™

🌸 CURT®

2 INCH | ## TRUTRACK™ WEIGHT DISTRIBUTION SYSTEMS

The CURT TruTrack™ weight distribution system is one of the most advanced weight distribution hitches in the industry. It combines precise weight distribution with integrated sway control to deliver the smoothest, safest ride possible. By integrating both features, the TruTrack™ eliminates the need to purchase a separate sway control unit.

Product Details

- Integrated sway control actively resists sway and levels the vehicle and trailer
- Uses spring & cam system with hardened components, instead of metal friction
- Adjustable brackets provide fixed support unlike spring bar chain models
- Weight capacities available up to 15,000 lbs.
- 2" shank can be flipped to provide necessary drop or rise
- 2-1/2" replacement shanks available
- Highly durable carbide powder coat finish
- Informative, full-color retail box

17499

17500

True integrated sway control

The spring & cam system and fixed support brackets offer true four-point sway control and weight distribution.

Long-lasting construction

The hardened spring & cam components and cast head are less subject to wear than competitor models.

Quiet operation

Each TruTrack™ hitch is equipped with grease zerk fittings for continuous lubrication and a quiet ride.

Easy, versatile setup

The TruTrack™ has two neutral bar settings and adjustable castle nuts to accommodate different trailer sizes.

WEIGHT DISTRIBUTING HITCH BARS

- Reese hitch bars can be used in raised or dropped position.
- Long hitch bars provide the extra length for bumper clearance.
- Hitch bars can be used with round bar, trunnion bar or high-performance weight-distributing systems.

SMART BRAKING WITH PROPORTIONAL TECHNOLOGY

Unlike timed brake controls that deliver the same power under all braking conditions, Tekonsha Brake Controls use Propotional Technology that senses the type of braking event, and applies appropriate power to the trailer brakes.

BRAKE CONTROL
UNIVERSAL
WIRING HARNESSES
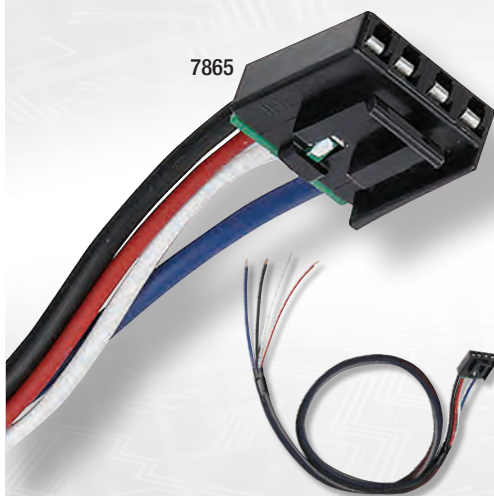

A Universal Brake Control Wiring Harness is the way to go when your vehicle is not pre-wired from the factory with a brake control connector. Once installed, these replacement harnesses provide a convenient plug-in connection point, allowing users the ability to easily move their brake control from one vehicle to another.

• Fits all vehicles • Quick disconnect plug

BRAKE CONTROLS

ECHO™ MOBILE BRAKE CONTROL

NEW

- Wireless, portable design allows for easy transfer from one vehicle to another
- Bluetooth connection to control all brake settings from a smartphone
- Non-invasive, plug-and-play setup installs between vehicle-trailer 7-way connectors
- Triple-axis, motion-sensing accelerometer for highly responsive, smooth stops
- Stores multiple user and vehicle-trailer profiles
- Allows incoming calls to be received while the app is running
- Potted enclosure seals off electronics from the elements for lasting durability
- Soft locking tab reduces vibration and improves connection
- Operates 2-4 trailer brakes at a time (1-2 axles)
- Compatible with low-voltage systems, PWM systems, ABS and cruise control

Easy, plug-and-play install

Insert Echo™ between the vehicle and trailer

Download the app, configure your settings and tow

BRAKE CONTROLS

SPECTRUM™ BRAKE CONTROL

- Triple-axis, motion-sensing accelerometer for highly responsive, smooth stops
- Easily accessible manual override with the press of a button
- Features two installation options: drill mount or surface adhesive mount
- Equipped with a quick plug for easy, plug-and-play installation
- User-selectable power output and trailer brake light activation
- Automatic calibration reduces setup requirements

51170
actual size
(module not shown)

Controls all brake settings with a simple push-button rotary knob

Clean, dash-mounted, OEM-style user interface with 10 tri-color LEDs

Main module can be mounted out of sight to maintain a consistent, original equipment look

FASTWAY
TRAILER PRODUCTS ®

SIX ROBBLEES' INC.
Since 1913

Fastway saves you time and hassle every time you tow with our award-winning trailer products.

ZIP™ Breakaway Cable

Protect your trailer with the Fastway® ZIP breakaway cable; the cable that doesn't drag. The coiled ZIP breakaway cable keeps itself off the ground and out of harm's way while you're towing, and coils neatly out of the way when not in use.

MFG #	DESCRIPTION
80-00-2040	4' Cable & Switch
80-00-2060	6' Cable & Switch
80-01-2204	4' Cable & Pin
80-01-2206	6' Cable & Pin
80-01-2140	4' Universal Cable
80-01-2160	6' Universal Cable

FLIP™ Automatic Jack Foot

The Fastway FLIP jack foot extends your trailer jack by six inches, and is completely automatic. It fits virtually every bumper-pull trailer, and is quick to install using the existing hole in your jack.

MFG #	DESCRIPTION
88-00-4500	FLIP for 2-1/4" jack x 4" tall
88-00-6500	FLIP for 2-1/4" jack x 6" tall
88-00-6525	FLIP for 2" jack x 6" tall

ONESTEP™ Wheel Chock

Save time and trouble with the Fastway ONESTEP chock. The ONESTEP eliminates the hassle of kneeling down to ratchet a wheel chock in place, because you can easily set and remove it from a standing position.

MFG #	DESCRIPTION
84-00-4000	Fastway ONESTEP (16"-24")
84-00-4150	Fastway ONESTEP XL (16"-30")
84-00-4840	Fastway ONESTEP 2pk (16"-24")

SHIN GUARD™ Safety Cover

Keep your shins safe from scraping against the hard edges of your ball mount by using a Fastway SHIN GUARD. It provides a cushion between your shin and the edges of your ball mount.

MFG #	DESCRIPTION
82-00-3125	Black SHIN GUARD
82-00-3126	Orange SHIN GUARD
82-00-3127	Yellow SHIN GUARD

FORTRESS™ Coupler Lock

The Fastway FORTRESS Coupler Lock will keep your trailer secure, providing you with peace of mind. It's made from the highest quality corrosion resistant material and fits virtually every trailer coupler style.

MFG #	DESCRIPTION
86-00-5015	FORTRESS Coupler Lock
86-00-5015-XXX	Keyed alike FORTRESS Coupler Lock

BALL COVER

Lubing your hitch ball properly is an important step to get the best performance from your hitch. The Fastway tethered BALL COVER allows you to keep your hitch ball lubed, without getting grease on your clothes.

MFG #	DESCRIPTION
82-00-3220	2" BALL COVER w/ tether
82-00-3216	2-5/16" BALL COVER w/ tether

CHAIN UP™

The Fastway CHAIN UP is the best way to eliminate the clanking, sparking, and wear of dragging safety chains. With the CHAIN UP you'll never have to twist your chains again, keeping your trailer safer on the road.

MFG #	DESCRIPTION
82-00-3065	CHAIN-UP for ball mount
82-00-3090	CHAIN-UP for adjustable height, multi-ball, or weight distribution hitch

7-PIN PLUG COVER

The Fastway tethered 7-PIN PLUG COVER is a fast and easy way to keep dirt, bugs, and corrosion out of your 7-pin wiring harness plug between trips. The handy tether keeps the cover right with the plug so it's never lost.

MFG #	DESCRIPTION
82-00-3315	7-PIN PLUG COVER

Fastway Receiver Locks

Securely locks your ball mount into your receiver, keeping your ball mount attached to the back of your truck so you can have peace of mind knowing your trailer is going to be secure on the back of your tow vehicle.

MFG #	DESCRIPTION
86-00-3050	5/8" Locking Hitch Pin 2" Receiver
86-00-3160	5/8" Locking Hitch Pin 2-1/2" Receiver

DEMCO

#1 IN TOWED VEHICLE BRAKING

AIR FORCE ONE

100% PROPORTIONAL BRAKING, 100% HASSLE FREE

- Proportional
- Only air brake to meet DOT and chassis regulations
- Fits every car and motorhome *
- No pulleys, catches, or springs
- Breakaway integrated
- Industry leading 5 year warranty

For Air Brake Motorhomes

US Patent 7,699,406

9599007   Air Force One Braking System
6271   Air Force One, Second Car Kit*

* Requires Air Brakes on Motorhome

STAY-IN-PLAY DUO

UNMATCHED RELIABILITY, UNMATCHED EASE

- Dual-signal progressive activation
- Fits every car and motorhome
- No pulleys, catches, or springs
- Breakaway integrated
- Industry leading 5 year warranty

For Hydraulic Brake Motorhome

9599006   Stay in Play Duo Braking System

US Patent 6,644,761

DELTA FORCE

BIG BRAKING POWER, 1/4 THE SIZE

- Dual-signal proportional
- Flexball actuator mount
- Wireless coachlink
- Set-It-Once Pedal Clamp
- 75% smaller than competitor models
- Breakaway integrated
- Industry leading 5 year warranty

Universal Portable Solution

9599004   Delta Force Braking System
6221   Delta Force 2nd Car Kit

WIRELESS COACHLINK ™

UNIVERSAL FOR ALL BRAKING SYSTEMS

- Plugs into coach power port
- Instant visual feedback that brakes are applied
- Transmits signal from towed-vehicle
- Positive "Brakes on" light
- Audible tone indication lets you know your SMI system is working flawlessly

Universal for all Braking Systems

9599005   Wireless Radio Set

NIGHTHAWK ™

non-binding tow bar

U.S. patent numbers
6,619,686, 6,957,824, 7,029,021 and 7,461,855

ROADMASTER

Time Tested • Time Proven

New!

A **proprietary eggshell design** distributes stress evenly.

6061 T6 military-grade aluminum

Built-in channel guides protect the safety cables and power cord

WORLD'S FIRST ILLUMINATED TOW BAR!

Introducing the Nighthawk, a non-binding, aluminum alloy tow bar incorporating a jaw-dropping design with embedded LED lights. It includes internally-routed safety cables and power cord, an attractive black matte finish and solid stainless steel inner arms.

Nighthawk is ROADMASTER's first tow bar designed for direct-connect baseplates which incorporate the strength of the crossbar into the mounting bracket — so no crossbar is required.

Aesthetically, the Nighthawk emulates the clean, sleek look of the Sterling All-Terrain tow bar, with which it shares many performance and convenience features, including a military-grade aluminum alloy shell.

- Non-binding Freedom Latch™ — disconnects first time, every time.
- The Nighthawk has the longest tow bar arms ever produced, for maximum stability while towing
- Solid stainless steel inner arms for smooth, trouble-free operation and easy maintenance.
- Built-in channel guides — support and protect the included safety cables and power cord.

A row of LEDs along each tow bar arm illuminates with the motorhome's lights. The 300-lumen LEDs add safety and convenience to nighttime towing — what was the darkest portion of the towing system is now easily visible to other drivers, and also visible when it comes time to disconnect.

676   **Nighthawk tow bar**
8,000-pound weight capacity aluminum motorhome mounted tow bar — weighs 35 pounds
     * **Includes safety cables and power cord**

677   **Nighthawk** for Blue Ox brackets

BASEPLATES AND ADAPTERS

BASEPLATES

Roadmaster makes baseplates for almost every towable vehicle. Strongest, safest and easiest to install. See Roadmasterinc.com for full listing.

TOW BAR ADAPTERS

shown: 035-1

Tow your Jeep on the cheap!

Connect any Roadmaster motorhome-mounted tow bar directly to the bumper mounts on off-road vehicles.

035   For bumper mounts that are ¾" thick
035-1   For bumper mounts that are 1" thick

Note: before using these adapters, confirm that the bumper is approved for flat towing by the manufacturer.

ALL-TERRAIN™

Non-binding tow bars

Our premium line of tow bars, with the exclusive Freedom Latch™, patented storage latch and built-in cable guides.
• Solid stainless steel inner arms
• Powder-coated finish
• Most durable and rust-free tow bars in the industry

MOTORHOME READERS' CHOICE AWARDS — AWARD WINNER

Freedom Latch™ non-binding technology
No more binding!

A patented cam design inside the Freedom Latch transforms linear motion into rotary motion at a 400-to-1 ratio — five pounds of force against the latch equals 2,000 pounds of force against the lock. So you'll never have to straighten and align your towed vehicle to release the tow bar — Freedom Latches release at any angle or bind. First time, every time.

After all, who's on vacation here — you, or your tow bar?

Exclusive Features

• **PATENTED ONE-STEP STORAGE LATCH**
Fold the tow bar toward the motorhome and it will "click," automatically locking in place.
• **BUILT-IN CHANNEL GUIDES**
Both the safety cables and the power cord are routed through the built-in channel guides for protection against damage or dragging, and for a clean, uncluttered look.
• **SOLID STAINLESS STEEL INNER ARMS**
For smooth, trouble-free operation and easy maintenance. Stainless steel looks better, lasts longer and prevents corrosion that binds.
• **LARGEST HOOK-UP RADIUS**
No wasted time lining up your towed vehicle! You can't say this about many things in life but connecting ROADMASTER tow bars is just like horseshoes — "close" is good enough.
• **METAL-FLAKE POWDER-COAT FINISH**
Exceeds all 500-hour salt spray, extreme weather and high-impact standards.

Falcon All-Terrain
522   **Falcon All-Terrain tow bar**
6,000-pound weight capacity motorhome-mounted tow bar — weighs 38 pounds

Sterling™ All-Terrain
576   **Sterling All-Terrain tow bar**
8,000-pound weight capacity aluminum motorhome-mounted tow bar — weighs 35 pounds
Includes safety cables and power cord

BlackHawk™ 2 All-Terrain
422   **BlackHawk 2 All-Terrain tow bar**
10,000-pound weight capacity motorhome mounted tow bar — weighs 42 pounds

World's Strongest Aluminum Tow Bar!
The Sterling All-Terrain weighs just 35 pounds, yet pulls up to four tons. Comes with safety cables, the power cord and a stainless steel, powder-coat finish.

Falcon 2 stowed
In the folded position, the Falcon 2 conveniently stores out
of the way on the back of your motorhome. A tow bar cover
(sold separately) keeps your tow bar clean.

6,000 pound weight capacity motorhome-mounted tow bar

- Stainless steel in virtually every moving component for smooth, trouble-free operation.
- Autowlok™ locking mechanism — allows both tow bar arms to extend or retract for a quick connection. Then, as you drive away, the arms self-center and automatically lock.
- A patented latching mechanism ensures secure, easy storage on the back of your motorhome.
- One-person quick connect and disconnect in seconds.
- Full-length, steel crossbar for maximum support
- A lustrous powder coat finish for maximum durability

520   **Falcon 2 tow bar** — weighs 37 pounds
525   **Falcon 2 tow bar** (fits Blue Ox brackets)

ANTI-SWAY BARS (FOR TRUCKS AND MOTORHOMES)

Driving should be an enjoyable experience. Adding a set of Roadmaster anti-sway bars to your suspension has an immediate effect on stability and cornering control. It distributes weight evenly over all wheels, causing higher stability and responsiveness. Anti-sway bars virtually eliminate sway caused by crosswind and weight shift. So even after hours at the wheel, the driver arrives fresh, instead of fatigued.

1109-169	**Chevy Silverado and GMC Sierra 1500/2500/3500** *(Fits 2010-2018 models)*
1129-135	**Dodge Ram 1500/2500** *(Fits 2014-2019 models)*
1129-144	**Dodge Ram 3500** *(Fits 2018-2019 models)*
1209-131	**Dodge/Freightliner/Mercedes Sprinter 3500** *(Fits 2007-2018 models)*
1139-149	**Ford F53 Class A/F550 Truck** *(Fits 2006-2018 models)*
1139-190	**Ford F450 Pick-up/F550 Class C/F550 Truck** *(Fits 2017-2018 models)*
1139-177	**Ford F150 Pick-up** *(Fits 2008-2016 models)*
1209-136	**Freightliner XC Chassis** *(Fits 2006-2014 models)*

COMBO KITS

Each Combo Kit contains:
- Electrical components —
    - A wiring kit with four Hy-Power diodes
    - A power cord to connect electricity between the vehicles, with a 7-wire plug for the motorhome (attached) and a plug and socket for the towed vehicle
    - A bracket to mount the power cord socket
- A pair of safety cables rated at 6,000, 8,000 or 10,000-pound capacity
- Two or three case-hardened steel padlocks (keyed alike) — for added security
- A marine-grade vinyl cover and storage bag

9243-1   **Falcon 2 and Falcon All-Terrain** — 8,000-pound capacity, with coiled-to-straight safety cables and coiled-to-straight power cord
9284-2   **NightHawk and Sterling All-Terrain**
         Does not include safety cables or power cord; does include a receiver hitch lock and LubeMaster silicone spray
9243-3   **BlackHawk 2 All-Terrain** — 10,000-pound capacity, with straight safety cables and straight power cord
9252   **StowMaster** — 6,000-pound capacity, with coiled safety cables and coiled power cord

SIX ROBBLEES' INC.
Since 1913

WHAT IS INVISIBRAKE? THE WORLD'S BEST TOWED CAR SUPPLEMENTAL BRAKING SYSTEM!

Why is InvisiBrake better?

- **NOTHING** to put in or take out to tow or drive.
- **CHARGES** the battery while towing. Never drains the towed car's battery.
- **EASY** operation. Works intuitively. No fuss, no hassle. It just works.
- **MONITORS** the towed vehicle's braking condition with audio and visual alerts.
- **SAFETY** is standard. Includes break away system and alarm for safety.

8700   **InvisiBrake Braking System**

BRAKING SYSTEM ACCESSORIES

UNIVERSAL BRAKE LIGHT SWITCH

Why do you need a brake light switch? Brake light switches are necessary only if you're installing a supplemental braking system, and the vehicle's OEM brake light switch doesn't work when the vehicle is in 'tow' mode.

Both the new universal switch and our vehicle-specific switches are only activated when the brake pedal is depressed. No other manufacturer provides brake light switches with this level of specificity. Why? When you know when the towed vehicle's brake pedal is depressed and released, you know if the supplemental braking system is positioned properly and working as it should.

- Works on any vehicle with a brake pedal
- Works with any supplemental braking system that moves the brake pedal
- Works with any motorhome monitor

751000   **Universal brake light switch**
Varies   **Vehicle specific brake light switch (See fit guide for exact part number)**

WIRELESS UNIVERSAL BRAKE MONITOR

- Truly universal — works with all braking systems that depress the brake pedal.
- Exceptional range and reliability
- Protects the towed vehicle's brakes — reports any braking activity to the motorhome monitor; includes a low-battery alert, extended braking and breakaway alarms, and five other audio and/or visual alarms and system status notifications.
- 30-minute installation.

Specifications — frequency: 923 MHz; voltage: 12V; sleep current: 30mA

9530   **Universal supplemental braking system monitor**

HITCH ACCESSORIES

HIGH-LOW HITCH RECEIVER ADAPTERS
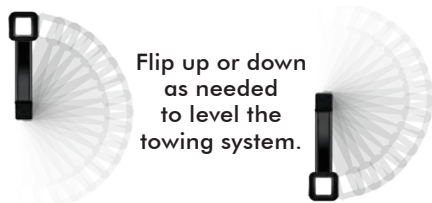

Flip up or down as needed to level the towing system.

Use a High-Low Hitch to level the RV hitch to the tow bar. The shanks can be turned up or down as needed to level the towing system. Only for towing a car behind a motorhome — not for use with any type of trailer.

FOR 2-INCH RECEIVER HITCHES

- The 07 series High-Low Hitches have a 6,000-pound GVWR and a maximum tongue weight of 200-pounds.
- The 048 series hitches a solid-steel shank, allowing a 10,000-pound capacity and 400-pound tongue weight.
- Fit nearly all two-inch receiver hitches. Available in 2-inch, 4-inch, 6-inch, 8-inch and 10-inch

	size	in pounds
048-2	**2"**	**10,000**
072	**2"**	**6,000**
048-4	**4"**	**10,000**
070	**4"**	**6,000**
048-6	**6"**	**10,000**
076	**6"**	**6,000**
048-8	**8"**	**10,000**
048-10	**10"**	**10,000**

Shown: 048-8 Hi-Low Hitch. Also available in 2-inch, 4-inch, 6-inch and 10-inch sizes.

QUIET HITCH

Stop sway and wander before it begins!
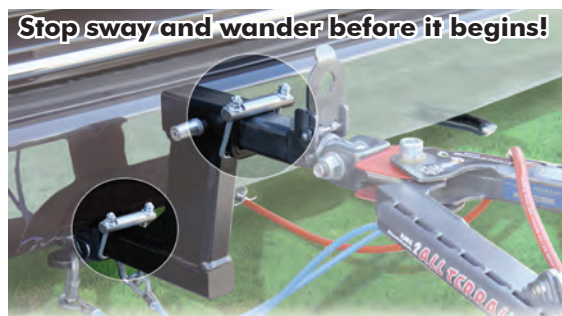

Quiet Hitch eliminates any free play between the receiver and the tow bar (or whatever you insert) for a solid, seamless connection. Consistent pressure keeps your towing combination tracking straight — all with considerably less effort on your part. Also reduces tire wear, and wear and tear on the hitch and receiver. Especially effective on towing combinations with multiple hitch extensions; also reduces noisy rattle caused by hitch accessories.

061   **Quiet Hitch** for 2" hitch receivers
062   **Quiet Hitch** for 2½" hitch receivers
061-125   **Quiet Hitch** for 1¼" hitch receivers

Note: the receiver must have a ring or collar around it for Quiet Hitch to attach.

Air Conditioners

Introducing FURRION CHILL, the new aerodynamically designed, mid-profile and powerful air conditioner for your RV. These units have been engineered with dual fan technology. They are constructed with lightweight materials to reduce weight impact on your RV.

- Single and multi-zone options
- LED mood lighting options available
- Superior cooling performance
- Compatible with ducted or non-ducted cooling systems
- Easy installation and simple touch operations
- Multiple operating modes and fan speeds
- Dual fans run more efficiently and reduces operating noise
- Aerodynamic rooftop design with UV resistant cover, base and rear grill

14.5K Rooftop Air Conditioner
729924 (white)

732469 (black)

ULTRA QUIET | EASY INSTALL | AERODYNAMIC DESIGN | HIGH ENERGY EFFICIENCY

15.5K Rooftop Air Conditioner
729925 (white)

732471 (black)

HIGH COOLING CAPACITY | MID PROFILE | VIBRATIONSMART | CLIMATESMART

UV RESISTANT | LIGHTWEIGHT | AVAILABLE IN BLACK OR WHITE

Replacement Rooftop Gasket
759307

Wiring Conversion Kit (C)
759168

Air Distribution Box Manual Control
729926

2 WAY AIR FLOW | 3 FAN SPEEDS | EASY INSTALLATION

DETACHABLE FILTER | CAN BE USED FOR DUCTED & NON-DUCTED | TEMPERATURE CONTROL *

Air Distribution Box
729927

Air Distribution Box with LED Light
729928

2 WAY AIR FLOW | EASY INSTALLATION

DETACHABLE FILTER | CAN BE USED FOR DUCTED & NON-DUCTED

Bundles

4.3"

4.3" Monitor + Doorway Security / Rear Camera + Windshield Mount*

729125

* 4.3" monitor provides one channel only for the doorway security / rear camera

5"

5" Monitor + Doorway Security / Rear Camera + Windshield Mount + Interior Table Stand
